Dr. Jyothimol P’s workshop on translation equipped the team for translation.

The students and teachers of the Department of English were asked to ponder on the topic jointly in the workshop. The contributions were to be broadly based on but not limited to the following areas:

- *Gender balance and sustainable development
- * Indian Writing
- * Black Feminism
- * Poetics of space

The outcome of this, is the handwritten magazine “...A+”- which could mean educating ourselves about the accepted and unexplored shades of gender; A for the latest “Asexual” and “+” indicating the unexplored textures of gender and the prospective space for them.
