2015-16

BOTANY ASSOCIATION REPORT-2015-16

Activities of the Botany association named as *Cattleya* for the academic year 2015-16 started with Environmental day celebrations on 5th June 2015. Prof. Alexander V. George (Principal), Dr. Joy Markose (Bursar), and Prof. N.V. Leela (Vice Principal) were participated in the programme. Principal inaugurated planting of tree saplings in the college campus.

The formal inauguration and fresher's day celebrations was held on 18th August 2015. Association was inaugurated by Dr. Selinamma, Associate Professor, Department of Botany, B.C.M. College, Kottayam. She gave a lecture about *how to make success in life* for our students and motivated them well.
