Plan of Action	Proposed Date/ Month	Status of attainment at the year end
World Environment Day	6 June 2021	<ul style="list-style-type: none"> Released an awareness video on the 'Role of Green Chemistry for a Sustainable Environment' on 5/06/2022.

		<ul style="list-style-type: none"> • A vertical garden and Hanging garden was made in front of the Department of Chemistry 06/06/2022
International Yoga Day	June	Association released a poster on International Yoga Day to give awareness about the importance of Yoga in our life On 21/06/2022
International Anti Drugs Day	June	A poster was prepared on International Anti-Drug Day to give awareness about the harmful effects of drug addiction
Curies Series	Every Month last week	Presentations of topics: <ul style="list-style-type: none"> • Hydrogen energy as an alternative fuel (M1 students) • Health hazards due to careless use of paracetamol (M1 students)
National webinar series of 5 sessions	June-July	<ul style="list-style-type: none"> • Training programme on polymer synthesis and characterization techniques was conducted in association with CIPET, in the month of December 2022 • Organised DBT recognized online courses in association with Learn to Upgrade
Association Inauguration	Mid July	Association Inauguration by Dr. Joseph T Moolayil Assistant Professor (Retd) S H college, Thevara on November

		2022
Basechem spellistry competition – Interschool and Intercollegiate	July	Intercollege and interschool spelling competitions were conducted on March 2023. 43 students from other colleges and schools participated.
Alumni Talks - online mode	4 sessions / year	-
A talk on Higher Education Opportunities : Abroad for UG & PG students (Students from BCM College and St. Mary's College Manarcadu participated)	August	<ul style="list-style-type: none"> • Design Your Future-Career Guidance Exclusively for Chemistry by Dr. Ajith James Jose, S B College, Changanacherry, was conducted in February 2023 • 'Futuring', a career orientation programme by Futuring Learning Solutions for UG and PG students on 13/7/2022
Free Radicals- in house journal	Annual	Published
Observance of Hiroshima Nagasaki Day <ul style="list-style-type: none"> • Oath taking • Exhibition and Peace meeting 	6 August 2021	<ul style="list-style-type: none"> • Peace memorial Speech was delivered by students of D3 Chemistry. Candles were lit for peace and Peace oath was taken. • Department of Chemistry and centre for Research and Post graduate department of Economics in collaboration with Breakthrough Science Society, Kerala Chapter Organized an Exhibition and Peace meeting as part of Hiroshima Day observance

Azadi Ka Amrith Mahotsav	August	Students participated in various competitions held by the college as part of Azadi Ka Amrith Mahotsav
Ozone Day Celebrations	September	<ul style="list-style-type: none"> Released an online poster through social media to create awareness among students Students renovated the garden in front of the department (one week project)
Orientation class for I year UG& PG students	September	An orientation programme for the first year BSc. Chemistry students was organized on 18 October 2022 led by Dr. Rony Rajan Paul, Assistant Professor, Department of Chemistry, CMS College
International Mole Day	October	Celebrated international Mole day by releasing an online poster through social media to create awareness among students
Alumni meet – online	October	-
National Chemistry week – Invited Lecture	October	A talk on ‘Scientific Temper and Chemistry in Everyday Life’ in November 2022 by Dr. Joseph T Moolayil Assistant Professor (Retd) S H college, Thevara on November

		2022
Inter departmental Quiz Competition	November 10: International Science Day	An Interdepartmental Photography competition was conducted on December 2022
World AIDS day –Awareness video	December	-
National pollution prevention day	December	Video on role of Chemistry to prevent the environment pollution
Chemfest- Chemistry exhibition	January	-
International day of Women and Girl in science	11 February 2022	-
National Periodic Table Day	February	-
Industrial visit for D3 students	March	
Valedictory function of Chemistry association	March	Valedictory function and farewell was conducted for HoD Dr. Suma Bino Thomas, D3 and M2 students.

Part – B

Part B – 2.1 Talks/Lectures/ Workshops Conducted
2.2a Competitions Organised within the College
2.2b- Inter-Collegiate Competitions Organised
2.3- Cultural Programmes Organised
2.4 – Extension and Outreach Programme Organised
2.5- Skill Development Courses Organised
2.6- Certificate Programme/ Diploma Organised
2.7 Student Participation and Achievements outside
2.8- Any Other activity/point worth mentioning

2.1 Talks/Lectures/ Workshops Organised/ Conducted

Summary :

Sl No	Title of the Programme	Name of the Resource Person	No. of participants	Links available if any
1.	Inauguration of Chemistry Association and talk on 'Scientific Temper and Chemistry in Everyday Life'	Dr. Joseph T Moolayil Assistant Professor (Retd), S H college, Thevara	126	
2.	Curies Series : - Hydrogen energy as an alternative fuel	Gauri S Nair and Bidhya Mary Biju M1 Chemistry	126	
3.	Curies Series: - Health hazards due to careless use of paracetamol	Solliya Joseph M1 Chemistry	126	
4.	World Environment Day-Awareness video on the 'Role of Green Chemistry for a Sustainable Environment	Hena Mariam Thomas M2 Chemistry	97	
5.	Exhibition on Hiroshima Day Observance	State Secretary, Breakthrough Science Society, Kerala Chapter	298	
6.	Peace Talk on Hiroshima Day	Prof. P N Thankachan, State Secretary, Breakthrough Science Society, Kerala Chapter	51	

7.	Career Guidance talk on 'Design Your Future'- Career Guidance Exclusively for Chemistry	Dr. Ajith James Jose, Assistant Professor, S B College, Changanacherry	83 (Students from BCM College and St. Mary's College, Manarcadu)

REMEMBERING
HIROSHIMA

Every year August 6 is observed as Hiroshima day across the world to mark the atomic bombing of the Japanese cities during World war II. Hiroshima day is celebrated every year to promote peace among nations and to create awareness about the devastating results of nuclear weapons.

In this context, Postgraduate departments of Economics and Chemistry in association with Breakthrough Science Society Kerala chapter organise an exhibition and peace meeting on 23 08 22. Sri.P N Thankachen Secretary, Break through service society Kerala chapter & Associate Professor (Rtd) RIT Pampady is the chief resource person. We look forward to your esteemed presence.

EXHIBITION : ROOM NO. 607 12.00PM

PEACE MEETING : MRS. MAMMEN MAPILA HALL 2.00PM

AN IQAC INITIATIVE

10:00 AM

Design your Future.
(A career guidance programme
exclusively for Chemistry students)

2. Reports

A brief write-up of the above listed activities are given below

1. Inauguration of Chemistry Association: CHEMCLAVE 2022-23

The activities of the Chemistry Association, Chemclave 2022-2023 were officially inaugurated on 22nd November 2022 by Dr. Joseph T Moolayil, Associate Professor (Retd), S H College, Thevara. He is now working as a consultant for Diesel Exhaust fluids Manufacturing Company. He is a Melvin Jones fellow for the outstanding social service for the community.

The meeting began by invoking the blessings from the God Almighty. This was followed by a welcome speech from teacher in-charge of the association Dr. Jintha Thomas, who introduced the Chemistry Association ChemClave 2022-23 and spoke about its objectives. Dr. Suma Bino Thomas presided over the function. The ceremony began with the lighting of the lamp by the chief guest Dr. Joseph T Moolayil. Sreedarshana P, Association Joint Secretary, proposed vote of thanks to the gathering. Mementos were distributed to the rank holders of previous years. Anjali S (2nd Rank 2017-20) and Brinda M Nair (10th position 2017-20) received mementos.

Dr Joseph T Moolayil, delivered the keynote address on the topic "Scientific Temper and Chemistry in Everyday Life". The talk aimed to highlight the importance of developing a scientific temper in daily lives of students. The talk discussed the role of chemistry in our lives and the impact of a scientific approach to everyday problems. He emphasized that developing a scientific temper is crucial as it helps us make informed decisions and improve our understanding of the world.

The talk further highlighted the role of chemistry in our daily lives. Chemistry plays a vital role in many aspects of our lives, from the food we eat to the medicines we take. It helps us understand the materials we use and how they interact with each other. Dr. Joseph T Moolayil gave various examples of chemistry in everyday life, such as the role of chemistry in cooking, cleaning, and personal hygiene. Cleaning agents such as soap, detergents, and bleach use chemical reactions to remove dirt and stains. Personal hygiene products such as toothpaste and shampoo are also based on chemical reactions. He also gave awareness about the health hazards that can be caused by the use of non-permitted ingredients. The talk highlighted the importance of applying a scientific approach to everyday problems. Overall, the talk was informative and insightful, and it encouraged the students to develop a critical and scientific mindset in their daily lives.

2. Curies Series

Curies Series is the platform where all the members in the Department comes together periodically and have talks and discussions in different arenas of chemistry and science. Curie's series generally includes a talk delivered either by a student or teacher in the topic of their interest. This gives an opportunity to students to improve their presentation and public speaking skills. The first sessions of Curies series were organised on 28/11/2022 at 3 P M. Gauri S Nair and Bidhya Mary Biju I MSc Chemistry delivered a talk on Hydrogen energy as an alternative fuel. The next presentation was by Solliya Joseph of I MSc Chemistry on the topic Health hazards due to careless use of paracetamol.

3. World Environment Day-Awareness video on the 'Role of Green Chemistry for a Sustainable Environment

An awareness video was prepared and presented by Hena Mariam Thomas of II MSc Chemistry on World Environment Day on the topic Role of Green Chemistry for a Sustainable Environment. She discussed about Green chemistry which is a field of chemistry that focuses on developing chemical processes and products that minimize the use and generation of hazardous substances which would lower environmental impact of chemical processes and promote sustainable development. The talk emphasized the significance of green chemistry to reduce pollution, conserve natural resources, and promote the development of sustainable technologies promoting a sustainable environment.

4. Exhibition and Peace talk on Hiroshima Day Observance

An exhibition and peace talk was organized on 23rd August 2022 by the Department of Chemistry & Centre for Research together with the Postgraduate Department of Economics in collaboration with the Breakthrough Science Society, Kerala to commemorate Hiroshima Day. The exhibition showcased photographs and artifacts from the Hiroshima bombing, along with displays on the science behind the atomic bomb and its devastating impact on human lives and the environment. The exhibits were curated in a manner that helped students understand the consequences of nuclear weapons and the importance of disarmament. Faculty and Students of all the departments visited the exhibition.

A peace meeting was held on the same day at Mrs. Mammen Mappilai Hall. College Principal, Prof. Dr. Biju Thomas presided over the meeting. Association in Charge Dr. Jintha Thomas welcomed the gathering. Dr. Suma Bino Thomas, HoD of Chemistry and Dr. Shaju M J, HoD of Economics were present. The peace talk was delivered by Prof. P N Thankachan, President, Breakthrough Science Society Kerala Chapter. He talked about the dangers of nuclear weapons and the urgent need for disarmament. He discussed about the nuclear bombing and the devastation occurred in Hiroshima and Nagasaki. He also mentioned about the current global nuclear arms race and the need for international cooperation to achieve a world free from nuclear weapons.

The exhibition and peace talk were a significant success, attracting a large number of students and generating awareness about the dangers of nuclear weapons. The exhibition was particularly effective in

educating the younger generation about the importance of peace and the consequences of nuclear weapons. The displays and exhibits were designed to be engaging and informative, making it easier for visitors to understand the science behind nuclear weapons and their impact on human lives and the environment.

5. Career Guidance talk on ‘Design Your Future’-Career Guidance Exclusively for Chemistry students

On 23rd February 2023, a career guidance talk titled "Design Your Future" was conducted for the chemistry students by Dr. Ajith James Jose, Assistant Professor, S. B. College Changanacherry. He is a renowned career counsellor and senate member of Mahatma Gandhi University, Kottayam. The programme began with a prayer song. Association in charge Dr. Jintha Thomas welcomed the gathering and Dr. Suma Bino Thomas, HoD of chemistry presided the session. All the faculty and students of the department attended the programme. Students from St.Mary’s College, Manarcadu and B C M College, Kottayam also participated.

The session aimed to help the students understand various career opportunities available in the field of chemistry and how they could prepare themselves to pursue their desired career paths. Dr. Ajith James Jose emphasized the importance of identifying one's strengths and interests before choosing a career. He discussed various career opportunities available to the students, including research and development, analytical chemistry, pharmaceuticals, biotechnology, forensic science etc. The speaker then delved into each of these fields, discussing the job roles, required qualifications, and skills necessary to excel in them. He also highlighted the current market trends and the demand for skilled professionals in each of these fields. The speaker then talked about the importance of networking and building a professional network, especially in the field of chemistry, where collaboration is vital for success. He emphasized the need to gain practical experience through internships and research projects, which can help the students to build their skills and increase their chances of getting hired.

The session was very successful and many students expressed their gratitude and gave positive feedback about the session. Solliya Joseph of I MSc chemistry proposed vote of thanks.

3. Participant List

Inauguration of Chemistry Association

SI NO	NAME OF THE STUDENT	CLASS
1	ABHIJITH S PRAHLAD	D3 Chemistry
2	AJAY VILAS	D3 Chemistry

BaseChem Spellistry 2023

Dear Sir/Madam

Department of Chemistry and Centre for Research, Basilius College, Kottayam is organizing an Intercollegiate and Interschool Chempell competition "**Basechem-Spellistry 2023**" on **2nd March 2023**. It is a competition where contestants are asked to spell/write a broad variety of words related to chemistry, having varying degree of difficulty. The competition aims at enhancing the students' vocabulary, widening their knowledge in the field of chemistry and thereby forging them into a wordsmith. UG students of Chemistry / Higher secondary or students of Science stream or High School students are eligible to participate in this competition.

The organizing committee cordially invites you to participate in this event. We solicit your wholehearted support for the successful conduct of this competition.

Yours Sincerely,

Dr. Biju Thomas
Principal/HOD, Department of Chemistry
Shetal Elizabeth Thomas
(Co-ordinator)
Pradeep
(Co-ordinator)

(Student Co-ordinators)

GENERAL INSTRUCTIONS:

Team event (Team of 2)

Two teams from a college /school can participate

UG students of Chemistry / Students of Higher secondary Science stream/ High School can participate

Preliminary Round (Dictation)

Final Round(5 Teams,4 Rounds).

Questions are exclusively from Chemistry

All participants are requested to bring their school /college ID cards

Spot Registration will be done by 9.30 AM on March 2nd 2023

Lunch will be provided for all participants

The decision of the judges will be final and binding

Brochure of BaseChem Spellistry 2023

2. A Brief write-up

BaseChem Spellistry 2023

Basechem Spellistry is a chemistry spelling competition that is conducted every year for school and college students. Basechem Spellistry aims to test the spelling and knowledge of chemical terminology among high school and college students. The competition is open to all schools and colleges across Kerala. The competition conducted on 2nd March 2023. A total of 43 students from different colleges and schools across Kerala participated in the competition.

The competition consisted of multiple rounds, each focusing on different aspects of chemistry terminology. The first round was a written test, where participants were given a list of chemical terms to spell correctly. There was separate written screening test for school and college students. Five teams were selected for final rounds in both levels. The competition was arranged in different rounds followed by a rapid fire round.

The winners of Basechem Spellistry 2023 were awarded prizes, including certificates and cash prizes.

2. A Brief write-up

Freshers Day Celebration: Swag-Atom

On 21 November 2022, the Chemistry Association organized a Freshers Day party for the new batch of D1 (2022-25 batch) and M1 (2022-24 batch) students. The event was held in Mrs Mammen Mappilai auditorium at 1 PM, and the students participated in various activities and games to help them get to know each other.

The event began with a welcome speech by the Association joint secretary Sreedarshana P of D3 Chemistry. Dr. Suma Bino Thomas, HoD of the Department of chemistry felicitated the gathering. Jiffin Varghese Oommen, first rank holder of 2019-21 batch was honoured with memento and cash award. Following the welcome address, the students were divided into groups, and each group participated in a series of ice-breaking activities. The activities were designed to help the students get to know each other and learn more about their shared interests and hobbies. It was a venue for cultural activities by the students where they danced and sang songs. Food and refreshments were provided. The Freshers Day party organized by the Chemistry Association was a great success. The event provided an excellent opportunity for the new students to get to know each other and the faculty members, and it was a fun and enjoyable experience for everyone involved. The Chemistry Association hopes that this event will encourage the students to participate in more activities and events organized by the association throughout their time at the Department.

Onam Celebration: CHEM-KEMAM

On 2nd September 2022, the Chemistry Association of Baselius College organized an Onam celebration, "Chem-Kemam," to promote cultural harmony and spread the joy of Onam among students. Faculty and students dressed in traditional attire. Students of M1 Chemistry performed the traditional dance form of Kerala, "Thiruvathira Kali." The Head of the Department Dr. Suma Bino Thomas addressed the gathering and she wished everyone a happy Onam. Various cultural activities such as group songs, dance performances and competitions were presented by students from different batches. After the cultural program, the students were treated to a sumptuous Onam feast, which was served on a traditional banana leaf. The Onam celebration, Chem-Kemam was a grand success, and it provided an excellent platform for students to showcase their talents and learn about the rich culture of Kerala. The event also promoted cultural harmony and strengthened the bond between students from different backgrounds.

Christmas Celebration-Feliz Navidad

The Christmas Celebration organized by the Chemistry Association at Baselius College Kottayam was a remarkable event that brought together students, faculty members to commemorate the joyous occasion of Christmas. The celebration was held at Mrs. Mammen Mappila Hall on 23rd December 2022. The

event started with a prayer song, followed by a welcome address by the Secretary of the Chemistry Association. Dr. Suma Bino Thomas addressed the gathering. A Christmas message was given by Famy Francis of D1 Chemistry. Precious Joe Alfred of D1 Chemistry acted as the Santa Clause and distributed gifts to the participants. The highlight of the event was the cultural programs presented by the students. The students performed various dances and songs, all related to the theme of Christmas. Refreshments and Christmas cake was distributed to all participants. The event provided an opportunity for the students to showcase their talents and creativity, and it also fostered a sense of community and belonging among the students.

Farewell Function to Dr. Suma Bino Thomas, HoD and M2 and D3 students- The Last Experiment , and the Valedictory function of ChemClave 2022-23

A farewell for Dr. Suma Bino Thomas, HoD, who was retiring from the department this year was organized on 16/03/2023 at Mrs Mammen Mappilai hall. Farewell for the outgoing 2020-2023 UG and 2021-2023 PG batch and the valedictory function of the Chemistry Association-ChemClave 2022-23 was also organized. Megha Mariet of M1 Chemistry welcomed the gathering. Smt. Jinu Mathew presided over the function. In her presidential address she recollected the cherished moments she spent with Suma miss in the department. She wished her happiness and peaceful retirement life. She wished all the best to the outgoing batches and reminded them to stay positive and to look for new opportunities. Dr. Mity Thambi, mentor of the D3 class addressed the gathering. Students from outgoing UG and PG batches (Reenu Roy and Sanjay of M2 Chemistry; Sreedarshana P and Prabhul Pradeep of D3 Chemistry) shared their experiences in the college. Dr. Suma Bino Thomas addressed the gathering and shared her experiences. Dr. Jintha Thomas, Association in charge proposed Vote of Thanks. This was followed by various fun activities and cultural programmes. Lunch was arranged for all participants.

1. Brochure

Virtual Training Program
Organised by
BASELIUS COLLEGE
Kottayam, Kerala 686001
In Association with
Learntougrade

(Department of Chemistry)

Available Certification Course:

- Cheminformatics & It's Application in Research & Drug Industry
- The Organic Chemistry of Drug Design and Discovery
- Molecular Modelling Online Certification Course
- Computer Aided Drug Design/Discovery
- Forensic science
- Advance Molecular Docking
- Structural Bioinformatics
- Molecular & Chromatography tools-techniques
- Recombinant DNA technology and Genetic Engineering
- Genetic engineering using Crispr Technology

Highlights:

- ✓ Live Interactive Session
- ✓ Post the session, recording will also be available with lifetime access
- ✓ Certificate will also be offered
- ✓ Q&A at the end of each session
- ✓ Two credit point on each course

Duration & Fee

1 Month Internship Training:
(Registration Fee, 2596/- INR)

Faculty Coordinator:

Name: Dr. Suma Bino Thomas
Designation: Associate Professor & HOD
Phone no: 91 9446125353

2. A Brief write-up

CIPET Training Programme ON “Fundamentals of Polymer Synthesis and Characterization techniques”

A training programme was given to the students on “Fundamentals of Polymer Synthesis and Characterization techniques” in association with Central Institute of Petrochemicals Engineering and Technology, Palakkad. An orientation programme was given to the D3 students and M2 students on December 2022 about CIPET. The interested students were motivated to join the training programme of 24 hours from 12-12-2022 to 16-12-2022. Resource Persons from CIPET took the classes and gave an introductory idea on polymer synthesis and characterization. 7 students from D2 class attended the virtual training programme and the internship

3. Photos/Screenshots etc.

CERTIFICATE

This is to certify that Mr. SANJAY.C. P (Reg.No:210011009894) pursuing M.Sc.Chemistry at BASELIUS COLLEGE, Kottayam has done an Internship successfully in our R & D Department during the month of April-May 2023 (4 weeks) as a part of his curriculum requirement.

This certificate is issued only for the purpose of submitting to the college/ university.

COMPANY SECRETARY

ACHIEVEMENTS

Sl No.	Name of the Student	Remarks/Comments
--------	---------------------	------------------

1.	Jiffin Varghese Oommen D3 Chemistry	First rank Holder, BSc Chemistry, M G University
2.	Jiffin Varghese Oommen D3 Chemistry	First rank Holder, CAT, CUSAT
3	Jiffin Varghese Oommen D3 Chemistry	Second Rank Holder , CAT, M G University
4	Gayathri C P D3 Chemistry	23 rd Rank Holder, CAT, M G University
5	Nevin Alexander D3 Chemistry	30 th Rank Holder, CAT, M G University
6	Navya Ann Binu	Selected to the post of Officer in Junior Management Grade I for Branch Management Role, Federal Bank

OTHER ACHIEVEMENTS

M2 Chemistry

INSIDE COLLEGE

Sl.No	Name of the student	Programs participated	Date of the program	Position or prize achieved	Whether certificate attached

OUTSIDE THE COLLEGE (INTERCOLLEGIATE)

Sl.No	Name of the	Programs	Date of the	Position or	Whether
-------	-------------	----------	-------------	-------------	---------

	student	participated	program	prize achieved	certificate attached
1	Hena Mariam Thomas	Presentation competition conducted by S H College, Thevara on World Environment Day	06/06/2022	Second position	yes
2	Anisha K S (2020-22)	Intercollegiate Presentation Competition conducted by B K College, Amalagiri on 10/8/2022 on the topic 'Nuclear Chemistry'		3 rd Prize	NO
3	Adhithi	Participated in Powerpoint presentation competition conducted by K G College Pampady	18-11-2022		yes
4	Nandhini Menon	Participated in Powerpoint presentation competition conducted by K G College Pampady	18-11-2022		yes
5	Navya Ann Binu	Selected to the post of Officer in Junior Management Grade I for Branch Management			yes

		Role, Federal Bank			
6	Reenu Roy	A grade in MonoAct competition, Youthfestival, M G University, Kottayam	8-12 February 2023	A grade	yes

DEPARTMENT OF CHEMISTRY

KURIAKOSE GREGORIOS COLLEGE, PAMPADY

Certificate of Appreciation

This is to Certify that Adithi S., Baselius college, Kottayam.....has participated and presented a paper on the topic "Hydrogen - an alternative energy source" in the Statewise Paper Presentation Competition organized by the Department of Chemistry, Kuriakose Gregorios College Pampady in association with Department of Student Services (DSS), M G University, Kottayam on 18th November 2022

HR TALENT ACQUISITION & DEPLOYMENT

FEDERAL BANK

YOUR PERFECT BANKING PARTNER

HR-TAD/Rec/Campus/2022-23

21 December 2022

Navya Ann Binu,
Candidate ID: 129276
MSC
Baselius College, Kottayam

Dear Sir/ Madam,

Sub: Empanelment to the post of Officer in Junior Management Grade I for Branch Banking Role***Hearty Congratulations...!***

We are happy to inform you that you have come out successful in the recruitment process conducted on 17/11/2022 for the post of Officer in Junior Management Grade I for Branch Banking Role. Accordingly, you are provisionally empanelled for absorption in Bank's service as Officer in Junior Management Grade I for Branch Banking Role subject to detailed verification of documents submitted by you, background verification and other terms & conditions to be intimated separately. If at any stage it is found that you are ineligible for the applied post, your candidature is liable to be cancelled at any stage, without notice & compensation.

In this assignment you shall be placed in any of the Branches/Offices of the Bank as per administrative requirements. You will be on a probation period of 2 years from the date of joining and is expected to execute a Service Level Agreement for minimum period of two years.

We take this opportunity to welcome you to join our innovative and dynamic team to begin an excellent career. We are sure you will find the career at Federal Bank both enriching and challenging. The offer letter for appointment will be sent to you separately..

Once again hearty congratulations on your achievement. Wishing you all success and a wonderful life ahead....!

Warm Regards,

Senior Vice President (HR)
