Orientation (Motivation) class

A motivational class for the students of B. com (OM & SP) – First years was held on **July 29th, 2016**. The class was organized by Mr. Aji Chandran, Associate trainer of SB Global Education Resources Private Ltd.

Motivation gives the reason for people's actions, desires, and needs. A motive is what prompts the person to act in a certain way, or at least develop an inclination for specific behavior.

Personality development training was the main objective of this class. Personality development is the relatively enduring pattern of thoughts, feelings, and behaviors that distinguish individuals from one another. It is becoming a better version of yourself. GST would be a comprehensive indirect tax on manufacture, sale and consumption of goods and services throughout India, to replace taxes levied by the central and state governments. The GST is consumption based tax levied on the supply of Goods and Services which means it would be levied and collected at each stage of sale or purchase of goods or services based on the input tax credit method.
