27th January/2023

38.A study Tour

A study tour was conducted for D3 zoology. It was for 3 day and 3 nights. Our destination was Ernakulam, chikmagalore, coorg. The study was organized on the syllabus if occupational zoology and Environmental Biology. Day 1

We started our journey on 27th January 2023 with our group which includes 34 students and

Three staff. The three-day trip was from Kottayam to Karnataka including three staff.

By 10:00 am we had reached the Kerala

University of fisheries and oceanic studies (KUFOS). In KUFOS, we joined the food science

And technology department and got an opportunity to know more about the equipment used in

The food science lab. Then we visited a biotechnology lab where they explained about the

Working and principles of the gel electrophoresis PCR machine. At last, we visited an aquarium

Where a large number of marine and freshwater Fishes are to be found.

Day 2

Golden temple is an attractive spot in coorg. Next was river rafting. Rafting in running water is an adventurous experience.

Day 3

We start trekking at 11: 00 am and the whole day

Is spent trekking. Jeep trekking was really memorable and adventurous. We visited

Mullayanagiri peaks, Jerry waterfalls, 360-degree view point, baba budhagiri viewpoint, z point.

There is a famous pilgrim site for both Hindus and Muslims.
