THE ANNUAL QUALITY ASSURANCE REPORT (AQAR) OF THE IQAC OF BASELIUS COLLEGE, KOTTAYAM FOR THE ACADEMIC YEAR 2010-11

Introduction

Baselius College, Kottayam, Kerala was established in the year 1964 by a galaxy of eminent men to fulfill the long cherished dream of the Malankara Orthodox Christian Community to dedicate themselves to the service of God and man. This premier postgraduate institution that flourished from the precincts of the MD Seminary High School was founded to perpetuate the sacred memory of our heavenly patron His Holiness Baselios Geevarghese, the late lamented Catholicos of the East, who steered the destiny of the Orthodox Church with grace and vision for more than three decades. The college was brought under the Educational Agency of the Malankara Orthodox Church Colleges in 1979. The college was accredited by the NAAC at the three star level in 2000 and Reaccredited with B⁺⁺ level in 2007. The college campus is declared “Eco-friendly”, hence use of non biodegradable materials are restricted on the Campus. The college promotes rainwater harvesting programme. There is huge Ferro Cement tank to harvest rainwater on the campus. The college provides generators and inverters to meet times of power failure. The library is fully automated with LAN and free internet facilities in all departments. The most ambitious projects like Women’s hostel, Language lab, spacious computer labs with computers and internet facility, and Bioinformatics Lab will become a reality by the assistance of UGC. ICT is promoted by each department. The campus is made vibrant by several co-curricular and extracurricular activities. The faculty and students make optimum use of the Information and Communication Technology. The full fledged Computer Centre and Multimedia and Audiovisual Centre facilitate basic training to the students, and has made a conscious effort to invest in the hardware and train the faculty in documentation and data processing. A well equipped Language Laboratory with the latest software helps in strengthening communication skill, and personality development.

Emblem

The college emblem carries the motto ‘Learn, Labour and Love’. Every member of the college shall acknowledge that learning truth is his pursuit, labouring hard is his preoccupation and loving all is his religion.

Vision

To be a premier temple of higher learning, imparting quality holistic education to all seekers irrespective of caste, creed and gender.

Mission

To dispel the darkness of ignorance and elevate youngsters to the pedestal of wisdom by fostering spirituality, knowledge and skill, thereby empowering them to deal with real life situations and equipping them to build a fruitful future for themselves and the society at large.

Objectives

The College stands for academic excellence, development of skill and character formation so as to produce intellectually matured, morally upright, socially committed and spiritually inspired men and women. In pursuance of this mission, the College has set the following objectives:

- ❖ To develop the potentialities of young men and women and help all those engaged in the pursuit of Truth and Knowledge, keeping in view the intellectual, physical and spiritual values.
- ❖ To inculcate the sense of discipline, social responsibility and community service in the youth and also to bring home the dignity of manual labour.

- ❖ To provide society with the right kind of leadership and men and women trained in various spheres who are competent to tackle the problems in life and make them worthy citizens of our community and the country in general.
- ❖ To instill in the students a sense of national pride and appreciation of Indian traditions and cultures.
- ❖ To sensitise students to critique current socio-economic, political and cultural issues and to denounce all forms of oppression relating to class, caste and gender.
- ❖ To sensitise students to environmental issues, thus motivating them to promote ecological justice and sustainable development.
- ❖ To establish a link between the institution and policy-makers through collaborative research leading to social development.
- ❖ To recognize the advantage of using modern tools and technological innovation for teaching and governance and its visible impact and motivating factor in empowering the student community.

SECTION A: PLAN OF ACTION CHALKED IN THE BEGINNING OF THE YEAR TOWARDS QUALITY ENHANCEMENT.

At the beginning of the academic year, a meeting of the IQAC was held and a plan of action was chalked out keeping in mind the following objectives.

- * Fostering global competencies and enhancing academic excellence
- * Addressing the environmental and societal issues
- * Creating a balanced personality in students
- * Promoting the use of technology
- * Infrastructure augmentation

SECTION B:

1. Activities reflecting the goals and objectives of the Institution:

Plan of action chalked out in the beginning of the year (2010-2011) towards quality enhancement.

● Fostering Global Competencies and enhancing academic excellence.

In order to foster global competencies and academic excellence among the students, the following plans were chalked out:

- * To conduct national and state level workshops and seminars in the PG and UG Departments.
 - * To accommodate students in UGC sponsored Add on Courses in ‘Travel and Tourism;’ in the Department of Commerce, and ‘Communication Skills’ in the Department of English.
- #### ● Addressing the environmental and societal issues.
- * To conduct seminars, workshops and awareness programmes in order to sensitize students about the global environmental problems.
 - * To strengthen the activities of National Service Scheme and Nature Club.
 - * The Red Ribbon Club is functioning in this college in close association with our NSS units. Its main objective is to sensitize students regarding the need for voluntary blood donation. Side by side, it also helps create awareness regarding diseases such as HIV / Aids, Hepatitis B etc which are mainly spread through infected blood, casual and unprotected sexual contact etc. Our Red Ribbon Club unit arranges mass blood

donation programmes on selected dates, accepting blood from all willing students and staff. It also arranges blood for medical emergencies reported from neighbouring hospitals. Every year, on World Aids Day (December 1st), there will be special awareness programmes under the auspices of the RRC.

- **Creating balanced Personality in students**

- * To provide orientation programmes and value education classes to the students to improve their self awareness, motivation and mental hygiene.
- * To organize health programmes like yoga and Aerobics to improve health and physical fitness of the students by the Physical Education Department.
- * To set up health monitoring programmes in the Department of Zoology and under the auspices of the National Service Scheme.

- **Promoting the use of Technology**

- * Purchase more licensed computer software.
- * Internet facility to be made available in all Departments and to establish networking.
- * General informatics training programme for teachers and students.
- * Strengthening the Multimedia and online radio established in the campus.

- **Infrastructure Augmentation**

- * Renovation of Chemistry, Physics and Zoology laboratories.
- * Purchase of more computers for all departments.
- * Enhance learning facilities for the students, in keeping with the changed CBCSS Curriculum - addition of laboratory equipments and instruments to the science laboratories.
- * Complete college campus beautification programme.

2. New Academic Programmes Initiated (UG and PG):

No new programmes were initiated during the year. (We applied, but the Govt. / University didn't sanction any new programme).

New Academic Programmes initiated: Other than UG/PG

In order to strive for quality enhancement, a few programmes other than UG and PG were initiated. In the Dept. of English, a UGC sponsored Career Oriented Add On programme in *Communication Skills* and in the Dept. of Commerce *Travel and Tourism* has been started with 30 students each. On successful completion of the course (1 year/ 2 years/ 3 years), they will be awarded Certificate/ Diploma/ Advanced Diploma respectively along with their Degree Certificates.

3. Innovations in curricular design and transaction:

The newly introduced CBCSS UG curriculum was in the second year, covering 3rd and 4th semesters, the first batch. The Chairpersons and members of Board of studies from this college, namely Dr. Susan Panicker (Chairperson, BOS, Zoology UG), Prof. N.V. Leela (Chairperson, BOS, Syriac UG), Dr. Biju Thomas (Member, BOS, Physical education UG), Prof. Joshua George (Chairperson, BOS, Political Science), Dr. Annie Cherian (Member, BOS, Statistics) were doing their level best in the curricular design and transaction according to the directions of the university, higher education council and the feedback from students and teachers.

4. Inter-disciplinary programmes started:

Course modules were prepared to initiate 11 open courses to promote interdisciplinary learning and teaching to be made available to semester V students in 2011-2012.
