Summary of Report

The activities of the Entrepreneurship Development Club for the year 2022-23 was formally inaugurated on 25th June 2022. This year's activities were inaugurated by the young innovative entrepreneur Mr. Bittu John Kallungal who acts for a social cause. Mr. Bittu, an engineer turned entrepreneur was selected as the chief resource person because he is the very apt person to address the members of the club. After realizing the effect of pollution and environment degradation, Mr. Bittu came forward with an innovative business model which he named as zero waste grocery store. The quantum of plastics that is thrown to the environment by a single grocery store per day necessitates its avoidance and mr. Bittu is a successful entrepreneur. The "7-9 Green Store" is the first of its kind in India. The experience of this green entrepreneur gave the students new ideas and insights to the students. 27 students and four faculties actively participated in the webinar.
