

## **Annual Report of Histrionics Club-2017**

### **Baselius College, Kottayam.**

Histrionics Club attempts to create a discursive space where theatre, film and other performative texts are introduced and analysed. 2016-17 also witnessed various activities of the club with Prof. Jithin John, Assistant Professor in English as the faculty in charge and Nevil Sam (III B.A. English) and Samajakrishna (II B.Sc. Physics) as the secretaries.

The club started its activities on 13<sup>th</sup> January 2017 with “*Pathemari*” a Short Film Fest Screening in collaboration with Arabian Dreams Club. Short films were screened and it was followed by a heated discussion. The theme was about the lives of the Keralites who live abroad and the issues related with their life.

The second one was also a Short Film Fest titled “*Vellithira*”. It was a great success by the students’ participation and this was followed by a debate.

The screening of a short film made by our own Baselians was an outstanding moment which documented the creative sparks of the Baselians.

The ace director Jayaraj and the new face Shivajith Nambiar came to the campus for the program “*Navarasam*” in connection with the promotion of their movie, *Veeram* on 16<sup>th</sup> February 2017. They discussed about the film. They spoke about films, the experience of the film shooting and had an interactive session with the students.
