Sir/Madam

Warm greetings from
Dept of Physics, Baselius college, Kottayam.

With immense pleasure we inform you about the 11th Prof. Susan John k Memorial All Kerala Intercollegiate Quiz competition to be conducted at 10.00 am on 26th of September 2018 in Mrs.Mammen Mappillai Hall. The 3rd Prof.V.John Memorial All Kerala Intercollegiate Power Point Presentation competition will also be conducted in parallel on same day in the Dr.A.P.Mani media centre.

We believe that this quiz competition and the power point presentation competition will become successful only with presence and blessings of our well-wishers like you.

We invite your prompt participation by sending in at least one team comprising two participants from your esteemed institution for the two events.

Thanking you

Dr.Jancey Thomas
Principal

Dr.Sindu Jones
H.O.D

Neha P.R
teacher in charge

Lidiya Annie John
Association secretary

Prof. Susan John K

She was tall and had a very pretty face and the most striking feature was her smile! A smile that could brighten your day. She was exactly the kind of person whom children would love to see on their first day in class. Yes, Prof. Susan John K knew how to make people feel special. She had a special way of taking classes. She encouraged and motivated students and built confidence in them. She is a personality who has touched hundreds of children's hearts in her short life span of 48 years till 15th Aug 2008, when death snatched her away. She's that one teacher who can be best described with the quote: "The mediocre teacher tells. The good teacher explains. The superior teacher demonstrates. The great teacher inspires."

Prof. V. JOHN

A man known for his simplicity. He had a good rapport with his students. His peculiarities was that he could not only remember their names but also knew the places from which they came from, it was true in the case of his colleagues too. He was a good mentor and also a counselor. He had 30 years of service in MOC colleges. After retirement also he kept a close relationship with the department. On 28th July 2015 he was called to eternal rest.

Physics – `Sept 16- World Ozone day – Seminar on alternative life style – Sept 17, 10 am – Dr.A.P Mani media center
