

The college is keen in promoting the artistic talent of students. The Music Club of the college is operating for enhancing the musical talents of the students. The Music Club of 2018-19 was run under the guidance of Asst. Prof. Meera Elizabeth James, Dept. of English. A plan of action was submitted to the teacher coordinator of Arts Club quite early at the beginning of the academic year. A meeting of the interested students was held and 28 students registered their names in the club. Among them Ms. Gayathri Jayaraj of First year B.Sc. Chemistry has been selected as the secretary of the club. The club held meetings in which gifted students showcased their musical talents. One of the members of the club Ms. Malavika R. Krishnan of D3 English performed a violin fusion in the television show “Comedy Ulsavam” in Flowers TV. The flood which affected Kerala during Onam season curbed us from conducting an inter collegiate Onappaattu competition. The music Club members participated in various musical events in the University Youth Festival “Alathalam 2019” and won ‘A’ grade. The Club took initiative in sending a Group Song (Eastern style) team to the university youth festival. The students found the club as an ideal platform to perform their talents. Though the club could not follow the plans mentioned in the plan of action, it worked well with giving benefit and satisfaction to its members.
