Action Taken Report on Curriculum Feedback - 2016-17

Committee for Curriculum Feedback Evaluation	
1.	Prof. Alexander V George (Principal)
2.	Sri. Manoj Narayanan K.S (IQAC Coordinator)
3.	Dr. Jyothimol P (Teacher Representative)
4.	Prof. M.J Shaju (Teacher Representative)
5.	Dr. Suma Bino Thomas (Teacher Representative)
6.	Prof. Cherian Thomas (Management Representative)
7.	Dr. Joy Markose (Bursar)

The Curriculum committee evaluated the feedbacks from various stakeholders and took the following decisions:

- Hand over the suggestions received relating to syllabus and curriculum to the Board which will be drafting the revised curriculum. The draft syllabus document was also examined by teachers of the department. Department Heads will be directed to communicate the suggestions directly to the authorities. Thrust shall be given to the suggestions of industrialists and employers as the recent developments in the market have to be considered.
- Departments were asked to orient the students to visit the website of the college and get an idea regarding the various academic aspects including the plan of action. They shall be directed to go through the academic and examination calendars given in the handbook so that curriculum delivery is carried out as per plans.
- It was also decided to counsel students regarding the examination patterns and timings of the university. Students are found to remark that the derailment of the examination schedules create a lot of tension and pressure. Tutors and mentors

shall address the issue during the sessions. Similarly, departments where the curriculum rating is given a low score by the students shall discuss the matter with the students and arrange enrichment sessions.

- Departments shall organise Industrial Visits and Field Trips to areas relevant to the discipline.
- The concerns raised by teachers regarding difficulty to cover the portions on account of shortage of semester time shall be addressed in the Workshops convened for the restructuring of curriculum. All departments shall ensure that teachers actively participate in the workshops and share the opinion.
- It was also decided to offer venue for restructuring workshops at the college itself.
- It was decided to start discussions on the outcomes of the courses and programme in the light of OBE framework.
- At the time of revisions, when new electives are offered, departments may choose electives having more demand and employability.
- Research shall be given more importance and workshops shall be organised for P G Students as suggested by Alumni. Similarly, possibilities of offering professional course training shall be considered.

Subsequent Implementation of the actions suggested

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK

2020-21

Action Taken Report on Curriculum Feedback - 2020-21

Committee for Curriculum Feedback Evaluation

1. Dr. Biju Thomas (Principal)
2. Dr. Manoj Narayanan K. S. (IQAC Coordinator)
3. Dr. Jyothimol P (Teacher Representative)
4. Dr. Suma Bino Thomas (Teacher Representative)
5. Dr. Shaju M.J. (Teacher Representative)
6. Prof. Cherian Thomas (Management Representative)
7. Dr. Joy Markose (Bursar)

The Curriculum committee evaluated the feedbacks from various stakeholders and took the following decisions:

- Based on feedback of PG students, it was decided to explore the possibility of inclusion of add on/certificate courses.
- Departments were directed to analyse the outcome attainments when the final results are declared and the consolidated result sheets are received.
- Teachers shall also communicate to the Board of Studies regarding issues faced in completion of portions within the stipulated time frame. This is a common issue pointed out by teachers and students.
- The feedback of U G students presents a reasonably good score for curriculum, its planning and delivery. Inclusion of field visits can be thought of only after there are relaxations of restrictions. However,

students may be motivated by the departments for joining online internship to gain work knowledge.

- More training and orientation sessions shall be arranged for the benefit of students.
- Blended learning shall be encouraged, especially as the pandemic situation prevails.

Subsequent Implementation of the actions suggested

- ✓ Blended learning is being encouraged, especially when there are restrictions on physical gatherings.
- ✓ Sessions relating to entrepreneurship are being conducted on a routine basis. The chance of interacting with different types of entrepreneurs is found to motivate students.
- ✓ Some students pursue internship in online mode.
- ✓ Departments have arranged seminars/talks/lectures, with special emphasis on the revised P G syllabus.
- ✓ Sessions on recent areas like data analytics have been arranged
