Action Taken

- The feedback was discussed in the IQAC meeting and meeting of HoDs as well as the departments.
- Departments QACs have to chalk out enrichment programmes.
- Add on certificate programmes and Skill development programmes have to be introduced.
- The departments have to search for modes of implementing experiential learning in those programmes where it is not compulsory in the curriculum.
- The genuine hardships faced by students like insufficient days to cover the portions, low thrust on internship and field projects etc. have to be raised in BoS meetings by the members and also communicated to the Chairman of Bos.
