Action Taken

- The feedback responses and scores were discussed in the IQAC meeting and the College Council meeting.
- The aspects which the students rated with a high level and similarly moderate level were discussed in details
- The need for cleaning the campus and painting the buildings shall be completed in the year 2020-21 on a priority basis.
- It was also noted that some students lacked awareness regarding the proper way of informing grievances to the authorities which result in delayed settlement of issues, though most of those related to non-availability of water supply in pipes, improper working of switches or fans, leakages etc. It was decided to make the students aware of the mechanism for grievance lodging to the authorities.
- It was also decided to provide more facilities in the library and promote more students to make use of the e-facilities in the library.
- The specific issues raised by students of particular departments could be addressed at the department level as most of them related to the syllabus and curriculum of the particular programmes. The issues were pointed out the HoDs of the particular department.
