Feedback Analysis and Action Taken

The results of the survey on Teaching Learning Process were discussed in College Council meeting and meeting of teaching staff. It was observed that most of the questions related to Teaching Learning Process were rated high by students. The Principal directed the teachers to take necessary efforts to help the students understand about the recent trends and developments. Enrichment Lectures and Programmes can be planned for the next academic year. Add on Courses or Skill development Programmes have to be started by the departments.

The feedback given by students on other aspects including infrastructure and other facilities will be discussed in the meeting of IQAC and Management Committee and necessary actions for improvement and augmentation of infrastructure will be taken.
