Prof. M. J. Thomas (09.08.1934 – 12.04.2014)

Prof. M. J. Thomas was the founder head of Department of Mathematics and the third Principal of Baselius College. Prof. Thomas was born into the Mureeckal family as the son of Rev.Fr. Jacob Mureeckan and Mrs. Sosamma Jacob. He joined Baselius College in 1964, served as HOD from 1964 to 1988 and as the Principal of the college from 1988 to 1995 till he retired from the service.

Prof.M.J.Thomas was a teacher of Mathematics par excellence. Even during his busiest days as Principal, he enjoyed his lecture hours to the full. A strict disciplinarian aloof from social engagements, his passion was nothing but teaching. Long after his retirement, he would come to the college and teach the evening batches. His students cherish him in their heart of hearts as a revered idol of a selfless teacher.
