Interpretation and action taken based on suggestions

The UG syllabus was revised by the University. Selected alumni were provided with a softcopy of the same too and were asked to respond based on the revised content. The major observations include:

- Courses with value and ethics have improved
- The curriculum shall offer more specialisations; implementation of new programmes shall be considered
- Suggestions to revise P G syllabus with recent developments was decided to be communicated to the Board of Studies as the revision process is likely to be commenced soon.
- Possibility of starting skill based certificate and add on programmes in computing, life skills which will be helpful in procurement of job shall be considered.
