2. Unlocking the Confident You –Personality Development Programme on 18/07/2020

- **Category: Soft Skill –Personality Development**
- **No: of participants : 70**

The session ‘Unlocking the Confident You’ was led by Prof. Anjali George of St.Joseph College Alappuzha. The session dealt with ways to identify and tackle the confidence inhibitors and building more confidence. Different types of confidences, characteristics of a confident person were also discussed. There were 70 attendees for the programme. After the session there was lively feedback from the attendees.

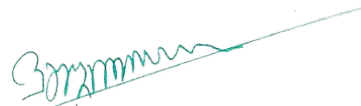

3. ARE YOU INTELLIGENT? On 25/07/2020

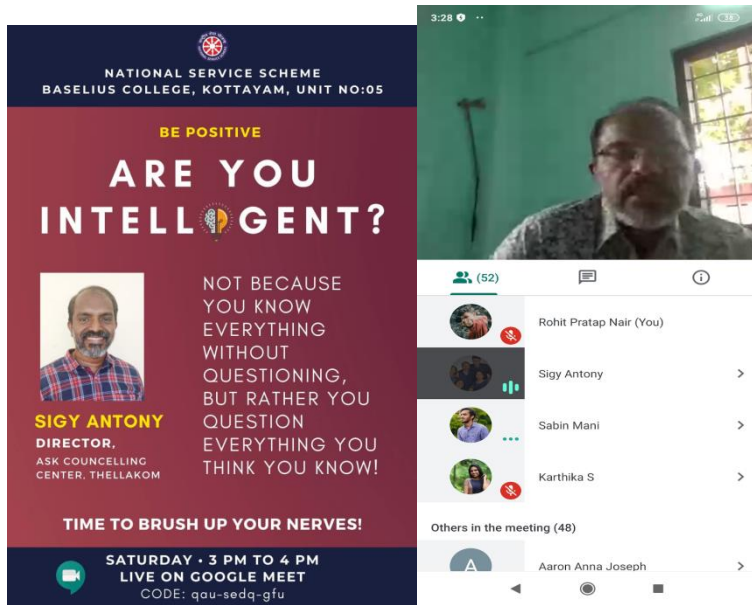

- **Category: Soft Skill-Personality Development**
- **No: of participants : 60**

The session 'Are You Intelligent?' was led by Sigy Antony, Director Ask Counselling Centre, Thekkom. This interactive session dealt with the eight types of intelligence which are visible in our routine lives and helped the attendees to understand the difference between each type of

Dr. BIJU THOMAS

BASELIUS COLLEGE
KOTTAYAM

intelligence and the importance it has in the successful life of an individual. There were 60 attendees for the programme. After the session there was lively feedback the attendees.

4. Group Discussion on Imported shows and Influenced Youth (Language Skill) on 06/08/2020

Category: Soft Skill - Language Skill

No of participants: 14

A debate competition was organized by the association for the students of the Department as part of Soft skill Development. The topic for the debate was 'Imported Shows and Influenced Youth'.

The online streaming platforms have literally opened up a world of infinite possibilities to the youth and aged alike. The influence of the never ending stream of English Series dealing with dystopia to family matters have been the most attractive part of all these platforms. The lockdown gave the youth an opportunity to indulge in these without worrying about the hassles of classes and attendance.

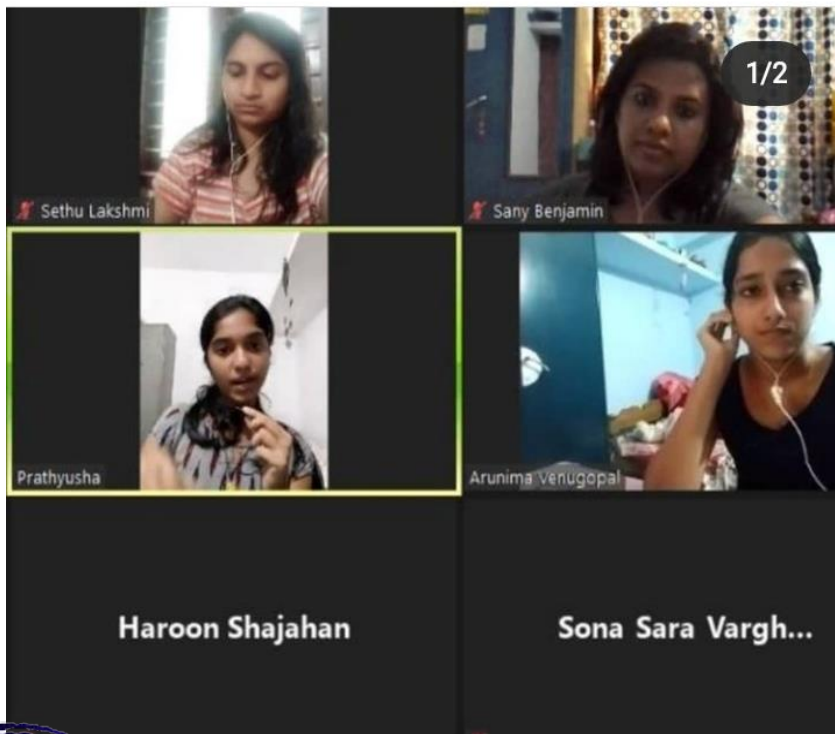

Dr. BIJU THOMAS
PRINCIPAL
BASELIUS COLLEGE
KOTTAYAM

The students were divided into 7 groups .One person has to take a stand against the imported shows while the other members should support the same. The team comprising Arunima Venugopal and Prathyusha P. bagged the first prize in the competition.

5. MEDIWEEK –From 25/8/2020 onwards

- **Category : Life skill- Health**
- **No: of participants : 50**

Red Ribbon Club was formed with the noble aim of helping our fellow human beings in all possible ways. The main activity of this club is to offer blood, the preserver of human body. RRC members are sensitized to meet emergency situations. Blood donation is a noble gesture of love and concern for fellow beings. It is important for every individual in the campus to be part of this effort. RRC tries to involve all the students and staff members by providing awareness classes.

Just like the name of the programme, Mediweek was started on 25th August and ended on 30th August with 5 different programmes. The basic theme of this programme was the difficulties faced by the general populace in this Covid era.

11. Lessons in Oneness Video Release on 11/11/2020

- **Language skills-Sign Language**
- **No of participants : 15**

A video celebrating the beauty of Sign Languages was released on 11/11/2020. The students learned the languages with the help of YouTube Tutorials and presented them. Though the services of sign language teachers were not available due to the COVID situation and lock down, the students took tremendous effort to master every sign in a way, though not perfect but presentable. The video was not intended to teach sign languages but it was more about creating awareness on sign languages among the normally abled population. The video was created by Ajith V P of final year B.Sc Zoology.

The video received positive reviews from the general public as well as the campus community including constructive criticism from the deaf community too. A few members of the community offered their assistance for similar endeavours in future.

14. Half day orientation on 14/11/2020

- **Category : Soft Skill- Personality Development**
- **No of participants : 50**

The orientation class was taken by Mr. Praveen Varghese (Academic Director CLSTAR, Professional Social Worker). He shared his experiences while studying at Baselius College and also taught the first year volunteer what's exactly is social service. He told that he used to do social service with the hope that he would get something in return. But that won't happen always. He also wanted the students to know that social service shouldn't end with one's college life.

19. Personality Development Class for Final year BBA on 15/12/2020

Soft Skill-personality Development

No of participants: 30

Last two weeks of final year offline classes were dedicated for personality development activities for third year students. For this purpose, Group Discussion, Self-Introduction and Mock interview classes were taken by Management Association Faculty In-charge.

20. 'Inducting in Style' for First years of Life Science

Soft skill: personality development

No of participants: 75

An orientation programme was conducted on 17th December 2020 for our first year B.Sc. Students regarding the theme 'Inducting in Style' sponsored by Parent Teachers Association of our college. The resource person was Sri. Praveen Varghese Thomas, an alumnus of the college who is currently working as an Academic Trainer and Social Worker. The talk by the resource person was very much informative. The class was very interesting, considering the way of presentation and his friendly attitude towards the students. While talking about the different aspects that influence the lifestyle of younger generations, the resource person made the topic interactive with a very simple topic of 'selfie' with which he was able to convey three important life lessons - elevation, evaluation and empathy in our everyday life.

31. Street Play on Cancer Day (Life skill-Health)

- **Category : Life skill-Health**
- **No of participants: 15**

The Baselius College National Service Scheme is spreading the message of survival from cancer by inviting changing lifestyles and drug use to the community on this Cancer Day. A street drama in connection with Cancer Day was conducted on 2nd April 2021. College Principal Dr. Biju Thomas, Programme Officers Dr. Viju Kurian and Prof. Ashley Thomas preached. Cancer is not the end of anything, we will survive.
