2. A Brief write-up- Onam is one of the most celebrated festivals in the college but due to the the Covid-19 pandemic and the lockdown, Onam 2020 didn't have the usual colours of the Onam celebration. As the whole world came down to a standstill due to covid -19, the students were the most affected and most depressed. Onam Bring the celebration of unity and harmony, the club took the initiative to conduct a Mega Online Thiruvathura. The programme's main aim was to bring some positivity through dance to the students who were all confined within the four walls of their home due to the lockdown. Students of the club choreographed the dance, the video tutorials were sent to all interested students of the college via social media accounts. The students after learning the choreography recorded the dance video from their homes and were sent to the coordinators of the program. All such collected videos from 65 students were edited to create one mega thiruvathira with the help of some students and were published in the YouTube channel of the club.

2. A Brief write-up- 2020-21 academic year was really a unique one as the whole academic year was completed in an online mode where the students literally never came to college. As online mode was the only way to cope up with the covid-19 pandemic, but it also restricted the talents of the college to be confined within the four walls of their homes. “Lockdown Diaries “is an activity by the

club were the students put forth a message that the only way to cope with the depression of the Lockdown was to revive the finest in you through dance. The concept and the idea were derived through various online meetings. Members shared their creative ideas to interpret the struggles that every artist underwent through the lockdown days. The club is very proud as this is an original idea which is written, recited, choreographed and edited solely by the members of the club alone. Bijin K Biju, student of D2 Physics has done the Background score and mixing. This short dance video was launched on 5th April 2021 through the official Instagram page of the Club use
