Dear Dr Krishnaraj

Prof. Bruneae has forwarded me your email inquiring about the legume checklist. We would welcome your contribution of the Indian Tephrosia species. I attach instructions as well as the checklist of names for Tephrosia. We have other people working on the American, African and Australian taxa, so please only work on the Indian taxa.

Please let me know if you have any questions.

Best wishes,

Stephen.

...e both well.

ologies for the delay in communicating, it looks like we already had instructions from Marianne, so I suggest we start with the task ahead since we don't have much time.

Alfonso, I think that since it is only the two of us coordinating the Phaseoleae, we can decide on how to move forward, I wonder if you have started, I haven't. I am not sure of the possibility of extracting the genus of interest from the long list and pasting it back, would that be better or should we rather work on one document so we can keep track? I would prefer the latter, but I am worried about our deadline. Please let me know your thoughts so that Ana Paula can go ahead with the Neotropical *Eriosema* and *Rhynchosia*. Many thanks.

Kind regards,
Annah

Indian National
Science Academy
New Delhi

Dear Ms Ashna,

This has reference to your application **CHES700** for an IASc-INSA-NASI Summer Research Fellowship in 2021. We are happy to offer you a Fellowship to work for two months during this summer subject to verification of your marks as stated by you in the application with the marks sheets. This is only an offer letter and you will be eligible for the certificate only after satisfactory completion of the fellowship. You will be working with Dr Anjali Paravannoor, Kannur University, Payyanur (e-mail: anjali.nano@gmail.com).

We have tried as far as practicable to assign you to a guide who works in your area of interest. **Where that has not been possible, you will work with the assigned guide in a related area that will be determined by the guide, and trust that the experience will be fruitful to you. We will not be able to make any change in this regard.**

This Fellowship is subject to the following norms:

- The duration of the Fellowship is eight weeks (56 days – including Sundays and General Holidays). However, due to COVID-19 Pandemic, this year it has been decided to allow summer fellows to work for at least 6 weeks if they cannot undertake 8-week fellowship. Fellowship amount will be regulated accordingly.
- You will be provided a second class [sleeper class] train fare from Pathanamthitta or Kottayam to Kannur Univ., Payyanur and back.
- If you are NOT an INSPIRE/KVPY Fellowship holder, you will be paid a Fellowship of Rs. 12,500/- per month towards your boarding, lodging, local transport expenses*. For those working virtually, a fellowship amount of Rs. 1,250/- per month to cover internet expenses will be paid. Your guide will decide on the mode of fellowship (real/virtual) depending on the circumstances. Those who are in receipt of INSPIRE/KVPY Fellowship will be covered by a separate arrangement, the details of which will be sent later.
- As regards accommodation, please contact Dr Paravannoor as the Academy is not able to help you in this regard.

Please also go through carefully & comply with **all the Instructions** given in the attached sheet.

You are advised to get in touch with Dr Paravannoor immediately to work out the exact period of your visit. In the meantime please communicate with Mr C S Ravi Kumar, Coordinator, Science Education Programme, your acceptance of this Fellowship. We would need a joining report from you upon your arrival, and a brief report of your work at the end of four weeks so that your Fellowship for the first month can be paid. After the receipt of the final report, we shall release the remaining amount due to you along with your travel fare.
