NOTICE

Subject : Mentoring 2020-21

This is in continuation of the circulars issued earlier during the academic year regarding mentoring process. Now that the entire admission is over, the final list of mentees and mentors is available. The following guidelines shall be observed for mentoring:

1. All mentors shall be in constant touch with their mentees. As most of the classes are in online mode, students shall be contacted over phones and constant interaction shall take place between mentees and mentors as it used to be in the pre-covid scenario.
2. All mentors shall maintain personal records of their interactions with their mentees. When students come for physical classes, mentors shall interact with them face to face.
3. Mentors shall enquire about the wellbeing of the students and find out their financial conditions also. This is very important in the light of the financial distress caused to many families on account of COVID.
4. All mentors shall motivate the students to attend the online sessions and also pursue online courses. They shall be motivated to participate in all events held in online as well as in offline mode. The extension activities which are permitted will be carried out without any interruption and the students shall be advised to be a part of such activities.
5. As the University examinations are all delayed, students will be feeling mental pressure on account of overlapping academic activity schedules. They shall be strengthened and motivated and assured of revision and remedial classes. The teachers shall keep track of the academic progress of the students.

6. If any student require support- financial or otherwise, the mentors shall inform the details to the concerned Head of the Department and intimate the same to the Vice Principal for further action. If needed, the services of the Professional Counsellor available at the college can also be sought when found necessary.
7. The Department Heads shall periodically interact with the mentors, keep an eye on the effective mentoring process and collect summary reports from the mentors. Confidential matters communicated shall be marked separately and while publishing the report for record purposes, the confidentiality shall be strictly maintained.
8. As the details of mentoring have to be submitted to IQAC and other statutory bodies and also for accreditation purposes, a summary report shall be collected from each teacher by the Head of the Department and the same shall be forwarded to the IQAC coordinator for records and further action.
9. It is reminded that mentoring shall be carried out with full earnestness and shall not be a namesake affair. Our past experiences have shown that effective mentoring has always helped to strengthen the students, identify their strengths, weaknesses and issues and also to solve many problems on the campus. Hence, the process shall be carried out with full zeal, even in this pandemic period. Online interactive sessions shall be arranged and interactive chat platforms can also be made use of to create an informal environment.
10. Research Supervisors shall act as the mentors of their wards (research scholars.)
11. Department Heads and IQAC coordinator shall take necessary steps to familiarise the new teachers with the mentoring process and its importance.
12. The mentoring process shall be coordinated by a team consisting of Dr Manoj Narayanan K S (IQAC Coordinator), Dr Sindu Jones (HoD of Physics Department) and Mr Lijo Sebastian (Assistant Professor of History). Any suggestions or innovations shall be shared with the team and finalised accordingly.

The final student-wise mentoring list is attached herewith. Mentor-wise list is also provided along with a suggested format of summarised report. Hope that the mentoring process will be effective and useful for all students.

Meeting Discussions and Action Taken

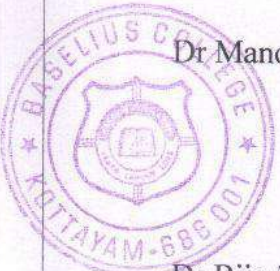

1. Approval of the revised plan of action and revised academic calendar was given and it was decided to conduct orientations, FDPs, Student Support Programmes etc. in online mode till normalcy is restored.
 2. It was decided to conduct Academic Audit for 2019-20 in March or April, depending on the restrictions that might be available. Dr Jojo K Joseph, Principal, Devamatha College, Kuravilangadu, who is also a NAAC peer team member shall be invited to head the Academic and Administrative Audit team.
 3. An Orientation for the teachers shall be arranged in connection with the revised NAAC accreditation process.
 4. It was decided to participate in the NIRF and ARIIA ranking process.
 5. All mentors shall be directed to contact their mentees and prepare a report based on the well-being of the students.
 6. Students shall be given the directions to register in the National Academic Depository (NAD) and also shall be encouraged to submit the online Anti-ragging form and make this a routine practice.
 7. It was decided to continue the Best practices in online mode, wherever possible, without bringing a disruption to the activities.
 8. Decided to conduct training sessions in emerging areas like Business Data Analytics, Software application in Research, Careers and Higher Education avenues etc.
- The IQAC Convener presented the rolling plan for the next three months. The details of various academic and co/extra-curricular activities, achievements etc. were presented.
 - Formal Vote of Thanks by Dr Jyothimol P.
