Warm regards from the Dept. of Commerce, Basilius College, Kottayam. We are indeed happy that our association with Tax Study Centre affiliated to National Centre for Labour and Learning has given ample opportunities for our students since 2013. We had successfully completed three batches of certificate courses in Practical Accounting and Sales Tax Practice including Tally and Personality Development Programme such as Finishing school class to equip the students to face the placement programme successfully till date. We would like to continue our collaboration and cooperation based on the clauses specified in the Memorandum of Understanding which we have signed on 03 March 2013. So we are beginning to admit the next batch of students for the certificate course for the academic year 2016- 17. We hope that your support and cooperation will keep on with us as in the previous years.

ICSI Study Centre in the Premises of your College

Dear Sir,

We take this opportunity to thank you for your decision to associate with the Institute and work as Study Centre for providing the basic services on behalf of the Institute.

Please note that the purpose of establishing a Study Centre in your city is to provide the services to the students of the Institute in their city itself as they were finding it difficult to avail the services from the existing Regional / Chapter Offices of the Institute due to the distance barrier.

With the Study Centre Scheme, the Institute would like to break the distance barrier and take the services like Career Counselling, Facilitating Online Registrations, Conducting Coaching Classes at the doorsteps of the existing and prospective students of the Institute.

As a first step in the direction of operationalizing the Study Centres, we have published the details of the Study Centre on the website of the Institute and the details would also be covered in the ensuing Student Bulletins.

We are also arranging to send the following to the Study Centre :-

1. One Set of Study Materials of all the Stages of CS Course
2. Profiles / Career Counselling Kit
