## Policy for Career Guidance and Competitive Examinations

The college prepares the students for knowledge acquisition and skill training through the academic curriculum framework. The learning process shall not be restricted to the syllabus of the Programme. Necessary skill-based, value-based and career related programmes shall be arranged to make the students aware of and get acquainted with the new and diverse developments and to gain better insights. With this end-in view, the college has established a structured mechanism

- A Career Guidance Cell will be in operation under the charge of a faculty and coordinated by senior students
- Necessary details regarding career related openings, news, etc. shall be disseminated to the student community in a timely manner.
- Training sessions shall be arranged under the auspices of the Career Cell as well as Subject Associations.
- The help and guidance of alumni may be sought for organising career related guidance and seminars.
- Skill training and add on or certificate courses may be started by the departments to enhance the employability of the students.
- Entrepreneurship shall be promoted through the activities of the Entrepreneurship Development Club and various Subject Associations.
- Placement based training and soft skill sessions as well as interactive sessions with experts may be arranged
- Training and sessions shall be arranged to face competitive examinations at various levels
