## College Policy on Environmental Friendly Campus and Measures taken

Green campus is a place where environmentally friendly practices and education combine to develop our young students into eco-conscious citizens. The institution has adopted a policy of promoting green initiatives and environment friendly measures and regularly conducts sensitisation programmes. A core course on environment has been included for all degree programmes. Similarly, recent developments have been included in the syllabi of P G programmes too. The college has banned most single-use plastics and is promoting paper cups, cloth bags, cloth banners etc.

## College Policy

- As an institution located at the heart of Kottayam, the institution is bent on maintaining environmental balance.
- The campus adopts Green initiatives in the form of planting trees around, keeping the campus plastic free, adopting recycling enterprises and effective waste management.
- Most single-use plastics are banned on the campus. The college promotes cloth bags, cloth banners, paper cups etc. instead of plastic. Necessary awareness and sensitisation shall be given to students regarding green initiatives and environmental- friendly measures.
- The institution makes use of rainwater harvesting in its efforts to preserve water resources.
- Motor vehicles are not permitted beyond a point on the college campus.
- The institution promotes public transportation mode.

- The institution is committed to energy saving and implementing proper energy management measures. LED bulbs shall be installed in the new buildings and replacements done in the old buildings shall be using LED bulbs.
- Necessary efforts shall be taken to install solar panels for energy.
- Proper waste disposal measures shall be followed. Necessary arrangements are to be made in this regard.
- The waste from the laboratories has to be disposed of properly.
- The institution maintains a nature club to consolidate its pro-environment efforts.
- All Students Clubs and forums and Subject Associations shall involve in conducting programmes, promoting campaigns and initiating activities that help to preserve the nature and bring more environment consciousness, not only to the Baselian members, but also to the community as a whole.
- The college is also committed to undertake Environmental and Green Auditing periodically and implement the suggestions.
- Beyond the campus environmental promotional measures and campaigns shall be conducted by various forums as a part of Institutional Social Responsibility.
