	Rashmi Abraham kuttan	D3

2. Webinar - “Responsible Consumption: A Green Initiative”

The Entrepreneurship Development Club of the college organised a webinar on 25th June, 2022. The webinar was led by the young innovative entrepreneur Mr. Bittu John Kallungal, an engineer turned entrepreneur. After realizing the effect of pollution and environment degradation, Mr. Bittu came forward with an innovative business model which he named Zero **Waste Grocery Store**. The quantity of plastics that is thrown out by a single grocery store per day necessitates its avoidance and Mr. Bittu successfully developed a model to reduce this. The **7-9 Green Store** is the first of its kind in India. The experience of this green entrepreneur gave the students new ideas and insights.

No of participants -28 (24 students and 4 faculty)

The following students attended the session:

Sl. No.	Name	Department	College
1	Karthika B Nair	Physics	Baselius college, Kottayam

4. Career Guidance Class - Higher Education and Employment Opportunities

The Department of Physics organised a Career Guidance Class on Higher Education and Employment Opportunities on 7th October 2022. The class aimed to enlighten students on the various higher education options and potential career paths available to them. Mr. Nibu A. George, Assistant Professor, Department of Physics, Baselius College, shared his expertise and insights to help the students to make informed decisions regarding their academic and professional pursuits.

No of participants -25

9. Skill development workshop - Soap Making

A workshop was conducted by the ED club in association with the IIC, Baselius College on 18th November 2022. The training was given by the Shri. V. P. Sasi, the Vice President of Kottayam Zilla Sastra Sahitya Parishad. It was designed to give hands-on training to the students on making natural chemical free bath soaps. The students who participated in the workshop were able to make soap on their own. The students actively participated in the workshop and it was a grand success.

10. Seminar On Quantum Teleportation: A Leap into the Future of Communication

A seminar on Quantum Teleportation was conducted by the Department of Physics on 21st November, 2022. The resource person for the session was Ms. Ashlin Jacob (Alumnus of the Department), Research Scholar at Raman Research Institute (RRI), Bangalore. Post graduate students were the beneficiaries of the session. They were familiarized with the concept of quantum teleportation, an exciting frontier in quantum physics, holds promising potential for future technologies.

No of participants -11

The poster is a vertical rectangular graphic with a dark blue background. At the top, the text 'Department of Physics' and 'Baselius College, Kottayam' is written in white. Below this, on the left, is the text 'Seminar on Quantum Teleportation'. On the right is a circular photograph of Ms. Ashlin Jacob, a woman with dark hair, wearing a pink turtleneck and a blue and white jacket, smiling. Below the photo, on the left, is her name and affiliation: 'Ms Ashlin Jacob', 'BSc Physics (2015-18) Batch', 'Research Scholar, Raman Research Institute, Bangalore'. In the bottom right corner, there is a small dark blue rounded rectangle containing the text '@ 2PM ON NOVEMBER 21, 2022'. The bottom half of the poster has a yellow background.

11. Workshop - 'The Art of making Kokedama'

The Department of Botany, in association with the Institution's Innovation Council of Baselius college organized a Workshop on 'The Art of Making Kokedama' on 25th November 2022. Dr. Smitha S., Assistant Professor, Department of Biotechnology, CMS College, Kottayam was the resource person. Kokedama (moss ball) is a ball of soil, covered with moss, on which an ornamental plant grows. The plant is set into the ball and afterwards the moss is wrapped around. Aluminium wire or nylon wire fixes the whole bundle, and is sometimes used to suspend the kokedama in the air. Students found the session very interesting and actively participated in the workshop. It aimed at introducing new skills and to promote student entrepreneurs. Kokedama prepared by the students were exhibited in the department.

13. Seminar - Introduction to Solar Cells

The Department of Physics organised a seminar on the topic 'Introduction to Solar cells' on 19th December, 2022. Mr. Joel K. Joseph (Alumnus of the Department), Research Scholar, NIT, Warangal, Telghana served as the resource person. The resource person explained how solar cells represent a revolutionary technology that captures the sun's energy and transforms it into clean electricity. Solar cells hold the promise of playing an increasingly pivotal role in meeting the world's energy needs while reducing our carbon footprint and preserving the planet for future generations. These messages were effectively communicated to the beneficiaries.

15. Workshop on Research Methodology

The Postgraduate Department of English and Centre for Research of Baselius College, Kottayam conducted a Workshop on “Research Methodology” on 20th February 2023 at the Department Library from 10 am to 1 pm. The Program aimed to familiarize II M.A and III B. A English students with the latest edition of MLA Handbook and research methodology. Dr. Jyothimol P., Vice Principal, spoke to the students about the relevance of the programme, Ms. Anju John, coordinator of the programme delivered introductory remarks. The workshop was conducted by Mr. Anand K., Assistant professor of English, Rajagiri College of Social Sciences, Ernakulam.

16. Seminar - Art of Learning Physics

The Department of Physics conducted a seminar on 'Art of Learning Physics' on 16th February, 2023. The resource person was Mr. Varghese Reji (Department Alumnus), Research Scholar at Tata institute of fundamental research (TIFR). The speaker conveyed that the art of learning physics is a multifaceted journey of exploration, inquiry, and critical thinking. It combines mathematical rigor, hands-on experimentation, and a quest for understanding the underlying principles of the universe. Embracing curiosity, perseverance, and creativity, students uncover the beauty and elegance of physics, making it a rewarding and intellectually fulfilling pursuit.

Prof. (Dr.) MANOJ NARAYANAN
 Professor & Head
 Postgraduate Department of Commerce
 Basileus College, Kottayam

18. Let's Talk Business

The Department of Management conducted a session of the **Let's Talk Business Series** on 17th March, 2023. Mr. Sarath M. D., Product in-charge and All Kerala Head of Pump Division in V-Guard industries was the resource person of the day. Students of D2, D3 BBA, first year M. Com and a few members from the Entrepreneurial development club were present for the session. The resource person shared his career journey and motivated all the students to pursue their personal as well as professional life by overcoming all the hurdles in life. Students interacted with him and had a good time.

No of participants - 31
