Two-Day National Workshop On Exp Eyes-Building Your Personal Science Lab

Dear Members,

We are pleased to announce that the Department of Physics and Research Centre at Basilius College, Kottayam is organizing a two-day national workshop on "Exp Eyes-Building Your Personal Science Lab". The workshop is open to faculty members and students of the college. The workshop will offer a comprehensive overview of ExpEYES, a hardware and software framework for developing science experiments. Participants will gain practical skills in building their own science lab, including setting up a computer, connecting sensors, and using software to collect and analyze data. The workshop is a unique opportunity for participants to gain hands-on experience in building their own science lab. Participants will be provided with a complete kit of components and a detailed manual. The workshop is organized by the Department of Physics & Research Centre in association with the Academy of Physics Teachers, Kerala.
