## **6)Observance of international yoga day**

Yoga is an ancient physical, mental and spiritual practice that originated in India. June 21 is observed as the International Yoga Day. Yoga brings peace to the mind and health to the body. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. Yoga improves strength, balance and flexibility. It improves our concentration. NCC Baselius unit participated in the yoga day conducted by the 16(K) Bn. in CMS college Kottayam. Cadets from different colleges actively participated in it. It was to encourage students to adopt and practice yoga daily. Student volunteers took initiative and illustrated the basics of yoga. 'Pranayama' and 'Suryanamaskara' were practiced. The basic awareness about different exercises in yoga was spread to all. The importance and benefits of yoga was brought to the knowledge of all.

## 8) Refining Scholarly Skills: A Comprehensive Workshop On Academic Writing And Publication Ethics

The "Refining Scholarly Skills: A Comprehensive Workshop on Academic Writing and Publication Ethics" was organized on 6<sup>th</sup> July 2023 by the Department of Chemistry & Centre for Research, Baselius College, Kottayam, in collaboration with Institution's Innovation Council, Baselius College, Kottayam, and Business Innovation and Incubation Centre (BIIC), Mahatma Gandhi University, Kottayam. The workshop aimed to enhance the academic writing and publication skills of the faculty members and research scholars.

The workshop commenced at 10 AM with an inauguration ceremony at the Dr. A.P. Mani Media Centre. Dr. Radhakrishnan E.K., Hon. Director, BIIC, MG University, Kottayam, had the honour of inaugurating the event. Prof. Dr. Jyothimol P., Vice Principal, delivered the presidential address.

The workshop comprised two informative and interactive technical sessions. The first session on innovative research tools in academic writing began at 10:30 AM. Sri. Jasimudeen S., Librarian at St. Stephen's College, Uzhavoor, served as the resource person for this session.

Participants learned about various research tools to enhance their academic writing skills. The session included hands-on training on research tools in the field of academic writing and was conducted at the Smart room in Baselius College, Kottayam.

The second session, held from 2 PM to 4 PM, focused on Intellectual Property Rights (IPR) and publication ethics. Dr. Lawwellman P., Assistant Professor at Govt. Law College, Calicut, conducted this session. Participants gained insights into the importance of ethical practices in publishing and the legal aspects of intellectual property. The session provided valuable information to foster responsible and ethical research practices. The workshop received active participation from 43 faculty members and research scholars. Attendees engaged in discussions, hands-on training, and interactive sessions, making the event both informative and engaging.

## 9) Breaking your comfort zone – orientation program

The "Breaking Your Comfort Zone" orientation program was conducted on 01-08-2023 to provide incoming Bachelor of Business Administration (BBA) students with a comprehensive introduction to the challenges, opportunities, and skills necessary for thriving in both their academic and professional careers. The event aimed to help students step beyond their comfort zones, enhance their adaptability, and foster personal growth in a supportive and dynamic environment. The purpose of this class was to encourage students to step out of their comfort zones, embrace new challenges and foster personal growth. The keynote speaker, Mr. Sanju p Cherian, a renowned leadership coach and motivational speaker, delivered a powerful session on the significance of discomfort in personal growth. The speaker shared insights on how challenges, though uncomfortable, are opportunities for developing resilience, leadership skills, and a growth mindset. The speech encouraged students to see challenges as stepping stones to success.

In this interactive session, students were divided into small groups and tasked with identifying their personal comfort zones and strategies for breaking through them. Each group shared their experiences, including fears, goals, and strategies for overcoming self-doubt. The workshop focused on building self-awareness and helped students understand the importance of pushing their limits.

### 23) WebMasters: Navigating the Art of Page Design

On December 5, 2023, at 2 pm, BBA students had the privilege of participating in a talk, "WebMasters: Navigating the Art of Page Design." This program, organized by the collaborative efforts of IEDC, IIC, and ED Club, in association with the BBA department, aimed to provide valuable insights into the ever-evolving web page design world. They covered a range of topics, including current trends in web design, the importance of user experience, and practical tips for effective page design. The presentations were not only informative but also inspiring, setting the tone for an engaging session.

A significant highlight of the program was a detailed talk on Bluehost, a prominent web hosting solution. The speaker provided an in-depth overview of Bluehost, covering its features, functionalities, and how it plays a crucial role in the web design process. The talk elucidated the importance of selecting the right hosting platform for efficient website management.

## 24) Design Discovery: Introduction to Poster Art with Canva

On December 12, 2023, a creative symphony unfolded at noon, as the collaborative efforts of the Innovation and Entrepreneurship Development Cell (IEDC), Institutional Innovation Council (IIC), Placement Cell, and Entrepreneurship Development (ED) Club, in association with the Department of Malayalam, came together to present "Design Discovery: Introduction to Poster Art with Canva." The event was made even more enriching with the presence and guidance of our resource person, Mr. Anujith Madhu, a dynamic talent from the D3 BBA.

The workshop was not just a testament to the integration of technology and creativity but also an exploration of the linguistic and cultural dimensions of visual communication. The event commenced with a warm welcome, setting the stage for an afternoon of learning, collaboration, and artistic exploration. Mr. Anujith Madhu, an expert in the field of design and a distinguished alum of D3 BBA, served as the catalyst for the workshop. His insights into the world of poster design, coupled with his hands-on experience with Canva, provided participants with a unique perspective on the intersection of technology and artistic expression. Participants were guided through the fundamentals of poster design, with a specific focus on creating visuals that resonate with Malayalam culture and language. The sessions were interactive, allowing participants to actively engage with Mr. Anujith Madhu, ask questions, and receive personalized feedback on their designs.

## 25) Robotics

The Robotics Session conducted on 13th December 2023 by Dr. Bony Samuel, an esteemed Assistant Professor of Electronics at Nirmala College, Muvattupuzha, was a significant component of the Five-Day Skill BootCamp. The session was organized collaboratively by the Innovation and Entrepreneurship Development Cell (IEDC), Institution's Innovation Council (IIC), Entrepreneurship Development Club (ED Club), and the Placement Cell. The primary focus was to introduce students to the realm of robotics and provide hands-on experience with Arduino software.

**Theoretical Foundation:** Dr. Bony Samuel began the session with an informative presentation, laying the theoretical foundation for robotics. This included discussions on the history of robotics, current trends, and potential future advancements. **Arduino Workshop:** The practical segment of the session involved a hands-on workshop with Arduino software. Participants were introduced to the basics of coding, sensor integration, and the fundamentals of building simple robotic projects. **Q&A and Discussion:** An interactive Q&A session allowed participants to clarify doubts and engage in discussions with Dr. Bony Samuel. This

interactive exchange enhanced the learning experience and provided valuable insights into the practical application of robotics.

## 26) Drone making

The Drone Making Workshop, conducted on the 14th and 15th of December 2023 by Mr. Karthik P S from Quadkart, Muvattupuzha, was a key feature of the Five-Day Skill BootCamp. This workshop, a collaborative effort of the Innovation and Entrepreneurship Development Cell (IEDC), Institution's Innovation Council (IIC), Entrepreneurship Development Club (ED Club), and the Placement Cell, aimed to provide students with both theoretical insights and hands-on experience in the field of drone making.

**Workshop Highlights: Theoretical Sessions:** Mr. Karthik P S commenced the workshop with comprehensive theoretical sessions covering the basics of drone technology. Topics included drone anatomy, aerodynamics, types of drones, and their applications in fields such as agriculture, surveillance, and photography. **Hands-on Assembly:** The core of the workshop was the practical segment where students actively engaged in assembling drones. They gained practical knowledge about the components of a drone, the intricacies of wiring, and the importance of calibration.

## 27) TALK ON 'UPSKILLING, RESKILLING AND EMBRACING AI'

Institution's Innovation Council (IIC), Innovation and Entrepreneurship Development Centre (IEDC), Placement cell and Entrepreneurship Development Club of Baselius College, Kottayam jointly organized a talk on 'Upskilling, Reskilling and Embracing AI' on 18th December 2023 at Mrs. Mammen Mappilai Hall. Yogesh Subramanian served as the resource person for the session. The programme began at 2.00 PM with silent prayer. Dr. Resmi Annie Thomas, Coordinator, Placement Cell welcomed the gathering. 90 students of participated in the session. Mr. Yogesh eloquently addressed the evolving nature of work in the age of AI, stressing the urgency for professionals to acquire new skills. He discussed the various AI technologies, their applications across industries, and the transformative power they hold in shaping the future workforce. The talk facilitated an interactive session, allowing participants to ask questions and seek clarifications on topics ranging from specific AI applications to personalized advice on upskilling paths. This engagement enhanced the overall learning experience for the audience. Participants gained a deeper understanding of how AI is reshaping industries and the skills required to navigate this technological shift. Session came to an end by 4.00 pm

## 28) One day workshop on mastering 3D printing: from concepts to reality

The Innovation and Entrepreneurship Development Cell (IEDC) in collaboration with the Institution's Innovation Council (IIC), Entrepreneurship Development (ED), and Placement Cell, successfully conducted a one-day workshop on "Mastering 3D Printing: From Concepts to Reality" on January 9, 2024, at the Smart Room within the college premises. The workshop aimed to equip students with the skills needed to navigate the world of 3D printing, from conceptualization to the creation of tangible products. The workshop was graced by Mr. Ansel Sebastian, a distinguished expert from IEDC RIT Kottayam. Mr. Sebastian brought a wealth of experience and knowledge in 3D printing, making him the ideal resource person for the event.

## 29) Excel in career with mind-blowing AI tools

On January 20, 2024, an extraordinary seminar titled "Excel in Career with Mind-Blowing AI Tools" unfolded at the Digital Educational Theatre. The event was orchestrated by the collaborative efforts of the Career Guidance and Placement Cell, Innovation and Entrepreneurship Development Cell (IEDC), Entrepreneurship Development (ED) Club, and Institution Innovation Council (IIC). The star of the event was the remarkable 14-year-old, Raul John Aju, also known as "Raul - The Rockstar." Raul showcased his prowess as a techie, actor, runner, and the brilliant mind behind MeBot.

Raul, despite his young age, captured the audience's attention with his multifaceted talents. His expertise in technology, passion for acting, dedication to running, and the creation of MeBot showcased a remarkable blend of skills. Raul shared insights into cutting-edge AI tools, unraveling the potential and impact they can have on shaping future careers.

### 30) CAREER CATALYST-Capacity Building Workshop on Career Development

In collaboration with the Career Guidance & Placement Cell, Baselius College, Kerala Knowledge Economy Mission, and Foundit, a transformative "Career Catalyst" workshop was conducted by the Department of Chemistry & Centre for Research on January 22, 2024. The workshop aimed at capacity building for career development and was led by Ms. Meena Baiju, a seasoned Corporate Trainer. The session commenced with an inspiring address by Ms. Meena Baiju, emphasizing the importance of proactive career planning in the rapidly evolving professional landscape. The workshop covered key aspects of career development, catering to the needs of 84 enthusiastic participants. Ms. Baiju provided insights into crafting impactful resumes and covering letters, offering practical tips on presenting achievements, skills, and experiences effectively. Understanding the significance of online professional presence, participants received hands-on guidance on optimizing their LinkedIn profiles. The session focused on creating a compelling digital narrative to enhance visibility in the professional sphere.

The workshop delved into effective job search strategies, equipping students with the tools to navigate job portals, industry networks, and other avenues. Emphasis was placed on aligning personal strengths with potential career opportunities. Participants engaged in interactive sessions on mastering the art of interviews. Ms. Baiju shared valuable insights into effective communication, body language, and interview etiquette, preparing students for success in real-world professional encounters. The active participation of 84 students marked the workshop's success, creating an environment of enthusiasm and eagerness to learn. The event not only provided valuable career-building skills but also fostered a sense of empowerment among the students, positioning them for success in their future endeavours.
