## 7.1.11 - Institution celebrates/organizes national and international commemorative days, events, and festivals

The institution is committed to the promotion of unity, cultural values, and ethics to create awareness of various historical and landmark events. Many programs, events, and activities are organized where the staff, students, and other stakeholders partake enthusiastically. Days of National and International Importance, state festivals, days specific to various disciplines of study, days related to certain diseases so as to create awareness on preventive measures, etc. are duly observed and celebrated by different clubs, departments, forums, etc. As a part of these events, poster making, pamphlet distributions, cultural performances, the release of awareness videos, competitions, talks, and discussions are organized. The major events organized under each category are listed below:

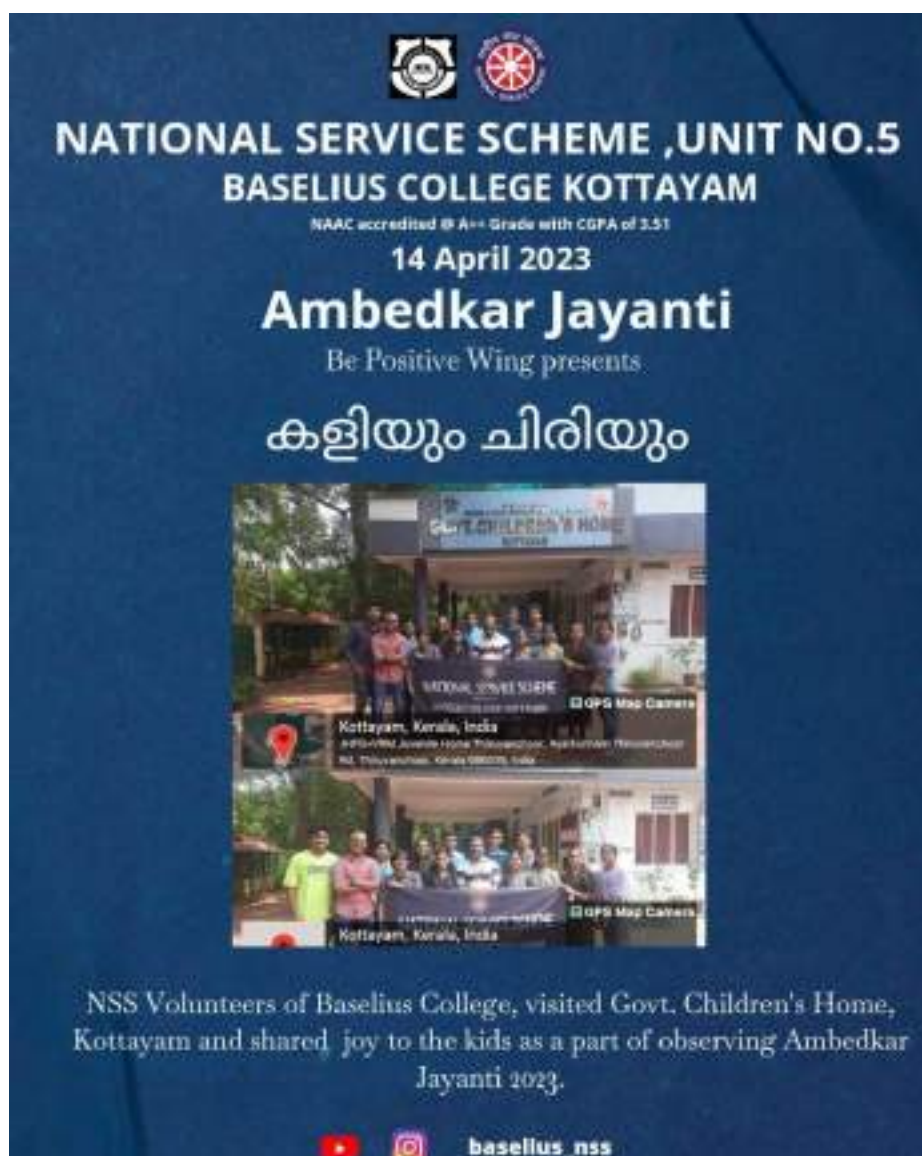

| Sl.No | Event                                | Date       | Organised by                      |
|-------|--------------------------------------|------------|-----------------------------------|
| 1.    | Dr.Ambedkar Jayanti                  | 14/04/2023 | NSS                               |
| 2.    | International Nurses Day             | 12/05/2023 | NSS                               |
| 3.    | Mother's Day                         | 14/05/2023 | NSS                               |
| 4.    | World Environment Day                | 5/06/2021  | NCC , NSS and several departments |
| 5.    | World Blood Donation Day             | 14/06/2023 | NCC & NSS                         |
| 6.    | International Yoga Day               | 21/06/2023 | NCC & NSS                         |
| 7.    | International Day Against Drug Abuse | 26/06/2023 | NCC                               |
| 8.    | World Doctor's Day                   | 01/07/2023 | NCC                               |
| 9.    | World Population Day                 | 12/07/2023 | NSS & Economics Department        |
| 10.   | Kargil Vijay Divas                   | 26/07/2023 | NCC                               |
| 11.   | World Lung Cancer Day                | 03/08/2023 | NSS & Economics Department        |
| 12.   | Hiroshima Day                        | 06/08/2023 | NCC                               |
| 13.   | International Youth Day              | 11/08/2023 | NSS                               |
| 14.   | Independence Day                     | 15/08/2023 | NCC ,NSS & BBA                    |
| 15.   | National Sports Day                  | 26/08/2023 | NSS                               |
| 16.   | Teacher's Day                        | 05/09/2023 | NSS                               |
| 17.   | Gandhi Jayanti                       | 02/10/2023 | NCC ,NSS, Political Science & BBA |

### 1. Dr. Ambedkar Jayanti

| Name of the program  | Date       | Organized by |
|----------------------|------------|--------------|
| Dr. Ambedkar Jayanti | 14/04/2023 | NSS          |

On 14th April 2023, NSS Volunteers of Baselius College, visited Govt. Children's Home, Kottayam and shared joy to the kids as a part of observing Ambedkar Jayanti 2023. Principal Prof. Dr. Biju Thomas sent greetings. Programme Officers Dr. Viju Kurian and Ashly Thomas gave message.

Volunteer Secretary Vinayak Sajeew also spoke to the gathering. The children were separated into groups and a quiz competition was held. Other interesting games were played too

## 2. International Nurses Day

| Name of the programme    | Date       | Organized by |
|--------------------------|------------|--------------|
| International Nurses Day | 12/05/2023 | NSS          |

International Nurses Day is celebrated around the world every May 12, the anniversary of Florence Nightingale's birth. The theme of the day was "Our nurses Our future". On this day, Baselius College National Service Scheme visited Primary Health Care Center, Manarcad. The programme titled 'Kaval Malakhamark Hridayapoorvam' (കാവൽമാലാഖമാർക്ക് ഹൃദയപൂർവ്വം) was inaugurated by Prof. Dr. Biju Thomas (Principal, Baselius college). Programme Officer Ms. Ashly Thomas gave nurses day message. The volunteers honoured nurses by giving roses to them. The programme co-ordinators were AnsuJayan and Lakshmi Thinkal and joint co-ordinators were Aleetta Sajeev and Aparna N. Wing co-ordinator Aleetta Sajeev delivered the welcome speech and Volunteer Secretary Ansu Jayan proposed vote of thanks.

## 3. Mother's Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Mother's Day        | 14/05/2023 | NSS          |

The purpose of Mother's Day is to express love, appreciation, and gratitude towards mothers and mother figures for their unconditional love, support, and sacrifices. Baselius College National Service Scheme admired Devakikuttyamma who sacrificed her life for her grandchildren and honoured by wearing ponnada. From her young age she is fighting against the fate to survive and to raise her motherless grandchildren. Though she is 96 years old, she is still working hard for her grandchildren. She is a women who likes to live independently and it is an inspiration to the young people. NSS volunteers cleaned the small shop and premises of the shop of grandmother and donated sweets and juice for sale in the shop . The principal of Baselius College Prof.Dr. Biju Thomas sent greetings for the programme. Programme officer Prof. Ashly Thomas gave felicitation. The programme co-ordinators were Volunteer secretaries Ansu Jayan and Syam Sankar R.

## 5. World Blood Donation Day

|                          |            |         |
|--------------------------|------------|---------|
| World Blood Donation Day | 14/06/2023 | NCC&NSS |
|--------------------------|------------|---------|

World Blood Donor Day focuses on patients requiring life-long transfusion support and underlines the role every single person can play, by giving the valuable gift of blood or plasma. On this day Baselius College National service scheme unit no 5 conducted a Quiz competition in public about blood donation. This programme aimed to create awareness among general public about the importance of blood donation. The programme was inaugurated by college principal Prof. Dr. Biju Thomas. Programme officers Ashly Thomas, Dr. Manjusha V Panikar and gave message about the day. The theme for World Blood Donor Day 2023 is “Give blood, give plasma, share life, share often.” The programme was conducted by RRC wing coordinators Jince Biju, Akshay S Kesav and Nasrin Rajeeb.

World Blood Donor Day was established by the World Health Organization (WHO) in 2004 to recognize the crucial role that voluntary blood donors play in saving lives and improving health around the world. The date, June 14th, was chosen to commemorate the birthday of Karl Landsteiner, the Nobel Prize-winning scientist who discovered the ABO blood group system, which is fundamental to modern blood transfusion.

The day serves as an opportunity to highlight the importance of safe blood donation practices and to encourage more people to become regular blood donors. Safe blood is essential for medical procedures such as surgeries, childbirth, trauma care, and the treatment of various medical conditions, including cancer and blood disorders.

Each year, World Blood Donor Day has a specific theme, focusing on different aspects of blood donation and transfusion. These themes may address issues such as the need for regular blood donations, the importance of screening and testing donated blood for safety, the role of young people in promoting blood donation, and the impact of emergencies and disasters on blood supplies.

Various events and activities are organized around the world on World Blood Donor Day to promote awareness and encourage people to donate blood. These may include blood drives, educational campaigns, blood donation drives targeted at specific demographics, and recognition ceremonies to honor regular donors.

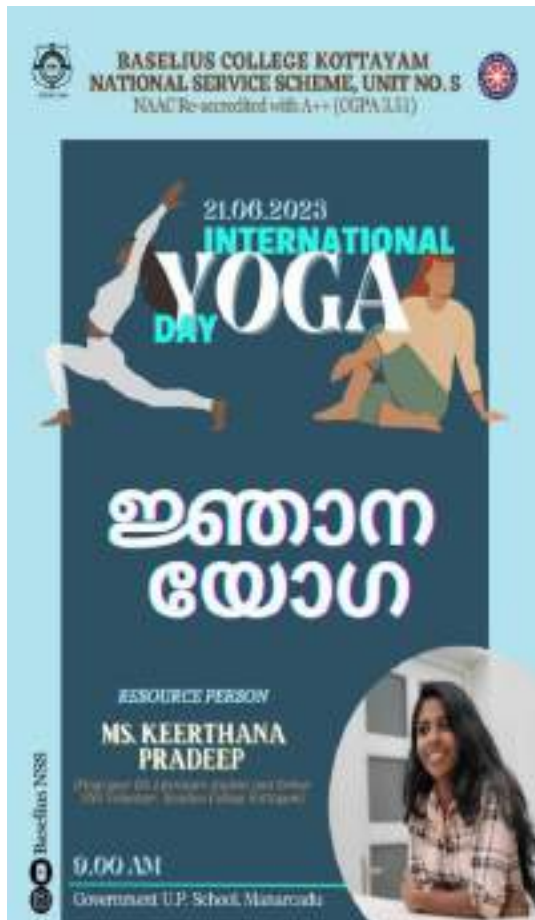

Overall, World Blood Donor Day serves as a reminder of the critical need for safe blood donations and the profound impact that donors can have on the lives of patients in need of transfusions.

## 6. International Yoga Day

| Name of the programme  | Date       | Organized by |
|------------------------|------------|--------------|
| International Yoga Day | 21/06/2023 | NCC & NSS    |

**When you listen to yourself, everything comes naturally. It comes from inside, like a kind of will to do something. Try to be sensitive. This is yoga".**

International Yoga Day is celebrated around the world every year 21st June. The theme of the year was "Vasdhaiv Kutumbakam". On this day Baselius College National Service Scheme unit no. 05 conducted

yoga session at college auditorium in association with District Homeo Hospital Ayushman Bhava project. The programme was inaugurated by Ward councillor(20) Jayamol Joseph. The session taken by Sujamol A. V (Yoga trainer, Ayushman bhava, District Homeo Hospital, Kottayam). College vice principal Jyothimol. P, Programme Officer Ashly Thomas and Officer Dr. Manjusha.V.Panicker gave message about the day.

Yoga is an ancient physical, mental and spiritual practice that originated in India. June 21 is observed as the International Yoga Day. Yoga brings peace to the mind and health to the body. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga. Yoga improves strength, balance and flexibility. It improves our concentration. NCC Baseliuss unit participated in the yoga day conducted by the 16(K) Bn. in CMS college Kottayam. Cadets from different colleges actively participated in it. It was to encourage students to adopt and practice yoga daily. Student volunteers took initiative and illustrated the basics of yoga. 'Pranayama' and 'Suryanamaskara' were practiced. The basic awareness about different exercises in yoga was spread to all. The importance and benefits of yoga was brought to the knowledge of all.

### **7. International Day Against Drug Abuse**

| Name of the programme                | Date       | Organized by |
|--------------------------------------|------------|--------------|
| International Day Against Drug Abuse | 26/06/2023 | NCC          |

The International Day Against Drug Abuse and Illicit Trafficking is observed on June 26th each year. This day was designated by the United Nations General Assembly to raise awareness about the global issue of drug abuse and the illegal drug trade. It serves as an opportunity to promote drug prevention, treatment, and rehabilitation efforts, as well as to commemorate the efforts of individuals and organizations working to combat drug abuse and trafficking worldwide.

The theme for the International Day Against Drug Abuse and Illicit Trafficking varies each year but generally focuses on highlighting different aspects of the drug problem and promoting strategies for addressing it. Themes may include prevention education, community involvement, health-focused approaches to drug policy, and international cooperation in combating drug trafficking.

On this day, various events and activities are organized by governments, non-governmental organizations, and community groups around the world. These may include educational campaigns, public awareness events, workshops, seminars, art exhibitions, and sporting events aimed at promoting healthy and drug-free lifestyles.

Additionally, law enforcement agencies often use this day to intensify efforts to combat drug trafficking and apprehend individuals involved in the production, distribution, and sale of illegal drugs. This may include drug raids, crackdowns on drug trafficking networks, and awareness campaigns to inform the public about the dangers of illicit drugs.

## **8. World Doctor's Day**

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World Doctor's Day  | 01/07/2023 | NCC          |

World Doctors' Day is celebrated annually on different dates around the world to honor the contributions of physicians and recognize their dedication to the profession and the well-being of their patients. The specific date varies from country to country, but many nations observe it on March 30th, which marks the anniversary of the first use of general anesthesia in surgery by Dr. Crawford Long in 1842.

The day provides an opportunity to acknowledge the invaluable role that doctors play in society, their commitment to healing and caring for patients, and their contributions to medical research, education, and public health. It's also a time to express gratitude to doctors for their compassion, expertise, and sacrifices, especially in challenging and demanding circumstances.

Various activities are organized on World Doctors' Day to honor and celebrate physicians. These may include awards ceremonies, medical conferences, seminars on healthcare topics, community health initiatives, and public events to raise awareness about health issues and the importance of preventive care.

World Doctors' Day also serves as a reminder of the challenges that doctors face, including long hours, high levels of stress, and the need for ongoing professional development and support. It encourages individuals and organizations to advocate for better working conditions, improved access to healthcare services, and policies that promote the well-being of healthcare professionals.

## **9. World Population Day**

| Name of the program  | Date       | Organized by               |

## 23.Children's Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Children's Day      | 14/11/2023 | NCC & NSS    |

Every child is a different kind of flower, and all together, they make this world a beautiful garden. As part of Children's day NSS volunteers of Baselius college Kottayam unit no. 5 visited an agenvadi at adopted village manarcadu. Volunteers celebrated Jawaharlal Nehru's birthday, first prime minister of India with the little kids over there. The programme was conducted under the supervision of programme officers. Programme was organised by Volunteer secretary Ansu Jayan

Children's day is observed on November 14 every year. Children are the future of our country. NCC Baselius unit celebrated Children's Day by visiting the School of the Differently abled children. Colour pencils and drawing books were distributed to them. A quality time was spend with the children by playing and engaging in various activities with them. We were able to bring a warm smile to their faces.

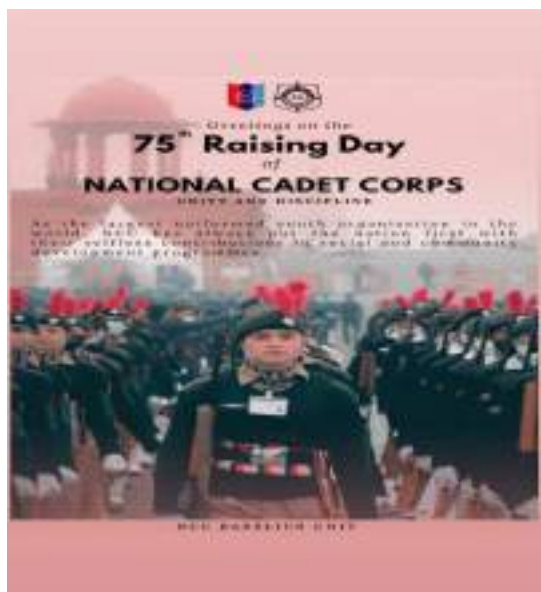

Autism spectrum disorder (ASD) is a neurological and developmental disorder that affects how people interact with others, communicate, learn, and behave. Although autism can be diagnosed at any age it is described as a “developmental disorder” because symptoms generally appear in the first 2 years of life.

Autistic and differently abled children requires interactions with public in order to develop a feeling of belonging to the society. Great interactive activities were done with leisure activities and games to make the children happy and feel comfortable with social interaction. Drawing pictures, colouring and doodling,

playing throwballs were some activities which were done to encourage and enhance their interactive abilities. The programme was organized under Samagra Shiksha Keralam.

**24.75<sup>th</sup> Raising Day of NCC**

| Name of the program                 | Date       | Organized by |
|-------------------------------------|------------|--------------|
| 75 <sup>th</sup> Raising Day of NCC | 26/11/2023 | NCC          |

NCC Day, also known as National Cadet Corps Day, is observed in India on the fourth Sunday of November every year. The National Cadet Corps (NCC) is a youth organization that aims to instill discipline, leadership, and a sense of patriotism among Indian youth while fostering national integration and social harmony.

NCC Day commemorates the establishment of the NCC on November 23rd, 1948. The organization was founded with the merger of the University Corps, the Senior Division Army Corps, and the Air Wing and Naval Wing of the Senior Division Corps.

On NCC Day, various events and activities are organized by NCC units across the country to celebrate the contributions of cadets and to showcase their achievements in areas such as leadership, community service, adventure sports, and disaster relief. These activities may include parades, cultural performances, drills, exhibitions, blood donation drives, and social service projects.

NCC Day also serves as an occasion to honor the dedication and commitment of NCC cadets, officers, and instructors who volunteer their time and effort to participate in NCC activities and contribute to the development of future leaders and responsible citizens.

The day provides an opportunity to recognize the role of the NCC in shaping the character and values of young people and in preparing them to serve the nation in various capacities, including the armed forces, government, and civil society. It also highlights the importance of youth empowerment and engagement in nation-building efforts.

**25. World AIDS Day**

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World AIDS Day      | 01/12/2023 | NCC & NSS    |

World AIDS Day is a global observance held annually on December 1<sup>st</sup> since 1988. Its primary purpose is to raise awareness about the HIV/AIDS pandemic, which has claimed millions of lives worldwide. The day serves as an opportunity to unite people in the fight against HIV/AIDS, show support for those living with the virus, and commemorate those who have died from AIDS-related illnesses.

Throughout the years, World AIDS Day has played a crucial role in promoting education about HIV/AIDS prevention, treatment, and care. It provides a platform for governments, organizations, communities, and individuals to come together to address the challenges posed by the epidemic.

Various events and activities are organized on World AIDS Day, including educational campaigns, HIV testing drives, candlelight vigils, memorials, and fundraising initiatives for HIV/AIDS-related causes. Red ribbons, symbolizing solidarity with people living with HIV/AIDS, are commonly worn on this day.

In addition to raising awareness, World AIDS Day also serves as a reminder of the importance of combating stigma and discrimination associated with HIV/AIDS. Efforts to promote understanding, compassion, and support for people affected by the virus are integral to achieving progress in the global response to HIV/AIDS.

### **Awareness Session about HIV in association with KSACS**

HIV (human immunodeficiency virus) is a virus that attacks the body's immune system. If HIV is not treated, it can lead to AIDS (acquired immunodeficiency syndrome). There is currently no effective cure. But with proper medical care, HIV can be controlled. People with HIV who get effective HIV treatment can live long, healthy lives and protect their partners. On 5th December Baselius College Kottayam National service scheme unit no:5 in association with Kerala AIDS Control Society and KSRTC conducted an awareness session about HIV in the KSRTC bus station, Kottayam. College principal Prof. Dr. Biju Thomas and programme officers Ashly Thomas and Dr. Manjusha V Panicker gave message about the importance of health and getting rid of virus. The programme was co-ordinated by Red Ribbon Club Coordinators Jince Biju RRC Secretary, Nasrin Rajeeb RRC Joint secretary and Akshay S Kesav RRC Joint secretary and Volunteer Secretaries Ansu Jayan and Renjith M J

## **26.Indian Armed Forces Flag Day**

| National Youth Day  | 12/01/2024 | NSS          |

Live streaming of the inaugural ceremony of the National Youth Festival at Nashik in Maharashtra is being watched by NSS volunteers and students of Baselius College, Kottayam on 12/1/2024

As part of International Youth Day Nss volunteers of Baselius college, Kottayam unit no.5 took part in the live streaming of the inaugural ceremony of the National Youth Festival at Nashik in Maharashtra was watched by NSS volunteers and students of Baselius college, Kottayam on 12/1/2024.The programme was conducted under the supervision of programme officers and volunteer secretaries Lakshmi Thinkal and Renjith MJ

**29.National Voter’s Day**

| Name of the program  | Date       | Organized by |
|----------------------|------------|--------------|
| National Voter’s Day | 25/01/2024 | NSS          |

National Service Scheme (unit no. 5) Electoral literacy club of Baselius College Kottayam organized different programmes on Voters day. The volunteers visited and honoured Mrs.Sosamma Kuriakose Maliyekal, the oldest voter of Puthupally assembly constituency. She talked about the importance of voting and the various responsibilities embedded on a voter. She compared the character of new voters with the old generations. She said that every vote is very much important to ensure the democracy in the state. Meaning of the word 'good citizen' will be fulfilled only when that person uses their right to vote. She also conveyed her gratitude to the students.The programme was conducted under the supervision of programme officers and volunteer secretaries Lakshmi Thinkal and Syam Sankar R.The programme was led by ELC wing coordinators Ben K Biju and Sneha Thomas.

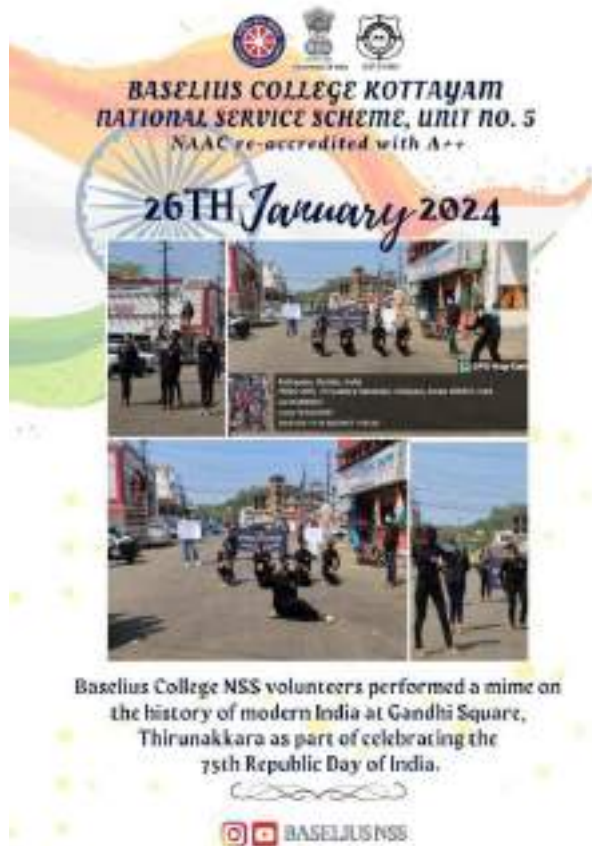

### 30. Republic Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Republic Day        | 26/01/2024 | NCC& NSS     |

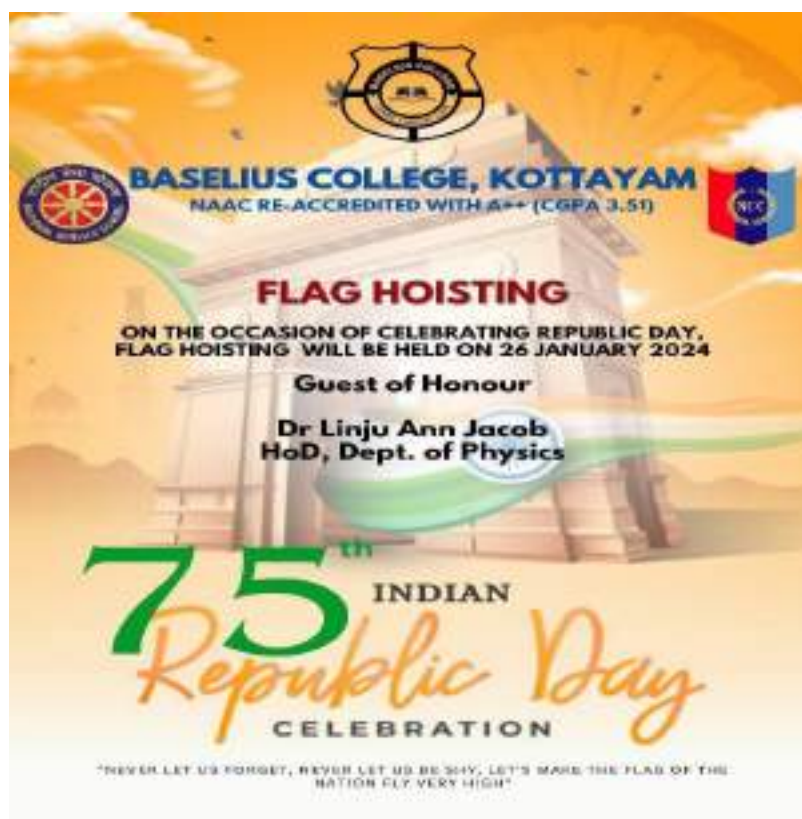

#### Flag Hoisting

As part of 75th Republic Day celebration, the NSS volunteers of Baselius College in association with NCC of Baselius College participated in flag hoisting on 26/1/2024.

We celebrated the 75<sup>th</sup> Republic Day on 26 January 2024. Flag hoisting ceremony was held on Baselius college. Dr. Linju Ann Jacob, Hod Dept. of Physics was the Guest of Honour. The message of patriotism was spread and the sacrifices of great freedom fighters were venerated.

Also, our SD and SW contingent were participated in the Republic Day Parade Held at Police Parade Ground under the commanding of CSM Suraj S Kumar and CPL Niranjana K Salim.

**31.Pulwama Attack- Black day Observation**

| Name of the program                   | Date       | Organized by |
|---------------------------------------|------------|--------------|
| Pulwama Attack- Black day Observation | 14/02/2024 | NCC & NSS    |

The Pulwama attack refers to a tragic incident that occurred on February 14, 2019, in the Pulwama district of Jammu and Kashmir, India. A convoy of vehicles carrying Indian security personnel was targeted by a suicide bomber affiliated with the militant group Jaish-e-Mohammed (JeM). The attack resulted in the deaths of 40 Indian Central Reserve Police Force (CRPF) personnel and the injuring of many others.

The attack sparked outrage and condemnation both within India and internationally. India accused Pakistan of providing support and shelter to the militant group responsible for the attack, JeM, which operates from Pakistani territory. In response, India conducted airstrikes against alleged JeM training camps in Pakistan-administered Kashmir.

The Pulwama attack escalated tensions between India and Pakistan, leading to a significant military standoff between the two nuclear-armed neighbors. The international community urged both countries to exercise restraint and engage in dialogue to de-escalate the situation.

The Pulwama attack has had far-reaching implications for the security dynamics in the region and has underscored the persistent challenges posed by terrorism and cross-border violence in the Kashmir region.

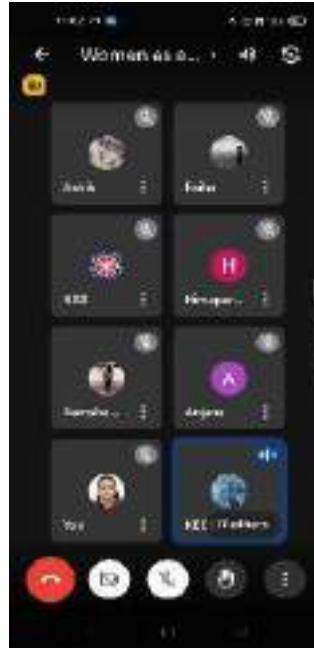

Baselius College National Service Scheme celebrated Black Day on 14<sup>th</sup> February, on the remembrance of Indian Army martyrs who died in the Pulwama Attack. In the presence of Principal Prof. Dr. Biju Thomas and Programme officer Miss Ashly Thomas, flowers were showered on the martyr's photos and candles were kindled. Junior volunteer Aliya spoke about the Pulwama attack and concluded the gathering. The programme was organized by Volunteer Secretaries Lakshmi Thinkal and Syam Sankar R.

### 32. International Women's Day

| Name of the program       | Date       | Organized by |
|---------------------------|------------|--------------|
| International Women's Day | 09/03/2024 | NSS          |

In conjunction with International Women's Day, Basilius College National Service Scheme unit no. 5 organized an interactive session through Google Meet for students.

NSS volunteer Ms. Uthara Vinu gave the welcome speech. Adv. Anie Mathew (Kottayam District Court), Smt. Swathy Subramanian (co-founder, Ezha Heritage) and Smt. Remya Sankaranarayanan (Chief Sub Editor, Malayala Manorama Daily) adorned as resource persons. More knowledge was imparted about the importance given to women and the job opportunities for them. Along with that, a fruitful session was taken on the topic 'Invest in Women: Accelerate Progress'. Later Programme Officer Mrs. Ashly Thomas gave felicitation. The programme concluded with vote of thanks of Volunteer Ms. Mariya Sara Sunil.

### 33. Earth Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Earth Day           | 19/03/2024 | NCC          |

As a part of EARTH HOUR DAY, Cadets of Basilius NCC Unit observed EARTH HOUR by switching off non-essential lights to make this movement "The Biggest Hour for Earth."

Earth hour was observed on 23 March 2024. From 8.30 pm to 9.30 pm non-essential lights were switched off. It was a "Biggest hour for Earth". Cadets holding candle lights and observing the earth hour turned out to be an inspiration for many.

### **34. World Tuberculosis Day**

| Name of the program    | Date       | Organized by |

Red Ribbon Club Secretary Jince Biju, Joint Secretaries Nasrin Rajeeb, Akshay S Kesav, Volunteer Secretaries Renjith M and Lakshmi Thinkal led the programme under the supervision of Programme Officers

## EVENTS ORGANISED BY DEPARTMENTS

### 1. International Mother Language Day

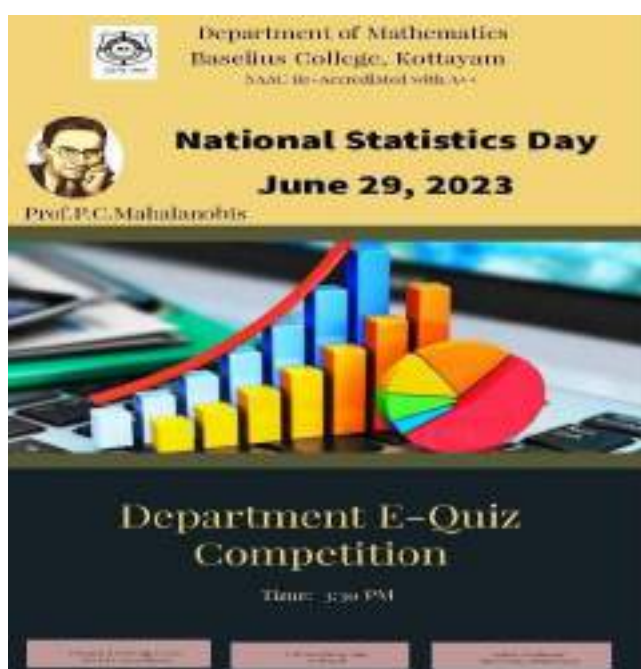

| Name of the program               | Date       | Organized by |
|-----------------------------------|------------|--------------|
| International Mother Language Day | 21/02/2024 | Malayalam    |

Kottayam Sahitya Pravarthaka Co-operative Society and Malayalam Department jointly organized International Mother Language Day celebration. Dr. Maumudi Dhar, National Museum Asst Curator, Delhi delivered the keynote address. Sri. P K Harikumar, Sahitya Pravarthaka Co-operative Society President presided over the meeting. HOD Dr. Thomas Kuruvilla, , Dr. Nibulal M.N, , Sandra Rose Thomas are also spoke.

### 2. National Statistics Day

| Name of the program     | Date       | Organized by |
|-------------------------|------------|--------------|
| National Statistics Day | 29/06/2023 | Mathematics  |

The National Statistics Day of India is observed on the 29<sup>th</sup> of June every year as recognition to Prof. P C Mahalanobis. Department of Mathematics conducted an intra department E Quiz competition on this auspicious occasion. The program began at 3:30 pm. The competition was conducted and

coordinated by Ms. Alphy Mathew and Ms. Elsa Raju Outcomes:

In connection with National Statistics Day, the Department of Mathematics organised an E-Quiz for Mathematics Students. 38 students participated. Through this programme, students gained more information in the field of statistics and how Statistics is connected with the world.

### 3.Fibonacci Day Celebration

| Name of the program       | Date       | Organized by |
|---------------------------|------------|--------------|
| Fibonacci Day Celebration | 23/11/2023 | Mathematics  |

A Colloquium for Mathematical Science has been conducting since 2018. It is intended not only to provide a platform for interaction and discussions but also to keep abreast of the recent developments and trends in mathematical Science. The programme was designed in such a way that one or two students present a topic in Mathematical Sciences, followed by a topic-based discussion. All teachers gave feedback after each presentation which helped students to make their presentation more effective, attractive, and informative. As these were new topics for the entire mathematics class, they were highly interested and benefited.

The first session of the colloquium of this year was held on 04/11/2023 Nowreen Fathima Jaleel & Ashwin George Joseph of D2 Mathematics prepared and delivered, a powerpoint presentation on 'Applications of analytical geometry in our surroundings'. Mufeetha Muhammed

& Nair Jyothika Reji of M1 Data Analytics presented on Applications of Data Analytics in real world and Srinanda VV & Ashna Irshad of M1 Data Analytics presented on Utility Problem.

The Colloquium 2 session and Fibonacci day observance of this year was held on 23<sup>rd</sup> November 2023. The sessions started with the presentation by Anagha S of D1 Mathematics on

'Fibonacci series in real life'

#### 4. Pi-Approximation Day

| Name of the program  | Date       | Organized by |
|----------------------|------------|--------------|
| Pi-Approximation Day | 14/03/2024 | Mathematics  |

The Lecture 4 on the topic 'Mathematics in real life' of the Lecture Series was held on 14<sup>th</sup> March 2023 at 2 pm at Education Technology Seminar Hall. The need and significance of Real life Mathematics focusing on Differential Equations was clearly explained and it provided an overview of mathematical applications in day to day life. Importance of Pi Day was also mentioned.

Outcomes:

1. Participants got an idea about real life applications of Mathematics, especially the applications of differential equations and importance of Pi Day
2. It generated an interest in participants in learning day to day applications of mathematics

### 5. International Moon Day

| Name of the program    | Date       | Organized by |
|------------------------|------------|--------------|
| International Moon Day | 25/07/2023 | Physics      |

Every year July 20 is observed as International Moon Day. The day celebrates the first landing by humans on the Moon as part of the Apollo 11 lunar mission.

Physics Association celebrated the international moon day on 25/07/2023, 2 pm at AP Mani media centre. Different activities for exploring lunar missions were conducted. First Year Degree students presented a skit regarding moon missions. First Year students PG students conducted a Quiz competition related to moon and Final year PG students did PowerPoint presentation which help students to dive into the fascinating world of lunar science. All over the program is a good and thrilling experience for students and they enjoy it very well. Events like these not only commemorate the historic Apollo 11 landing but also inspire curiosity and interest in lunar science among students. It seems like it was both educational and enjoyable for everyone involved.

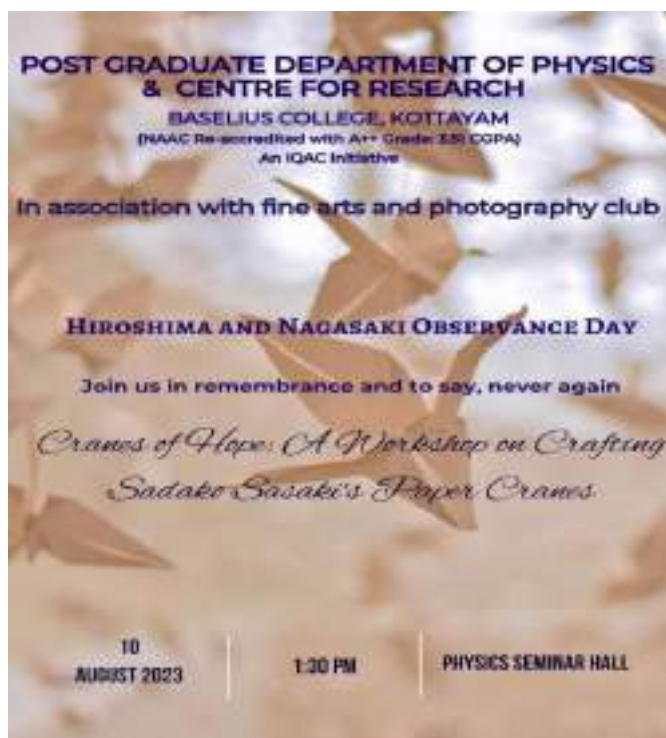

#### **6.Hiroshima and Nagasaki Day Observance**

| Name of the program                   | Date       | Organized by        |
|---------------------------------------|------------|---------------------|
| Hiroshima and Nagasaki Day Observance | 10/08/2023 | Physics & Chemistry |

The Physics Association organized an observance of Hiroshima and Nagasaki Day on 10/08/2023. The event aimed to commemorate the tragic events of World War II and promote a message of peace and remembrance.

The program commenced with an oath-taking ceremony, where all the students and teachers pledged to uphold the values of peace and to work towards preventing similar tragedies in the future. Following the oath-taking, participants engaged in the crafting of paper cranes, inspired by the story of Sadako Sasaki. Sadako, a survivor of the Hiroshima bombing, famously folded paper cranes as a symbol of hope and peace. The act of crafting these cranes was a touching gesture, symbolizing the desire for healing and reconciliation in the wake of conflict. These activities provided a platform for dialogue and remembrance, fostering a deeper understanding of the impact of war and the importance of promoting peace.

Third episode of Curie's Conclave was conducted in connection with Hiroshima and Nagasaki Day on 10-08-2023 at Mrs. Mammen Mappilai Hall. The gathering commenced with a prayer song by Nandana Sunil & Geethu Krishna of D Chemistry. Akshaya Susan Philip welcomed the gathering.

Sreelekha. P. S & Siddarth Harikumar of D3 Chemistry presented a video on 'Unveiling the Impact of the Hiroshima and Nagasaki Atomic Bombings'. The video presentation titled "Unveiling the Impact of the Hiroshima and Nagasaki Atomic Bombings" delved into the historical significance and far-reaching consequences of the atomic bombings that occurred during World War II. The aim of the presentation was to shed light on the profound effects of these events on various aspects of global history, geopolitics, and human understanding. The video presentation successfully illuminated the multifaceted consequences of the Hiroshima and Nagasaki bombings, fostering a deeper understanding of the human, ethical, political, and scientific dimensions of these events. A pledge in honor of the victims of the Hiroshima bombing and to promote a world of peace and nuclear disarmament was taken by the gathering. S. Hrishikesh of D3 Chemistry delivered a session on 'Chandrayan 3'. The session successfully provided attendees with a comprehensive understanding of India's advancements in lunar exploration and its aspirations in the field of space research. The session succeeded in fostering a sense of excitement and curiosity about

Chandrayaan-3 and its contributions to humanity's understanding of the moon. Anisha Jojo & Gouri Nandana Baiju of D3 Chemistry delivered a session on 'Artificial sun'. The presentation effectively provided attendees with an insightful understanding of the scientific advancements and challenges in nuclear fusion research. Abhijith K Saju of D3 Chemistry proposed vote of thanks. The meeting came to an end by 4.00 PM.

### **7.National Energy Conservation Day**

| Name of the program              | Date       | Organized by |
|----------------------------------|------------|--------------|
| National Energy conservation Day | 14/12/2023 | Physics      |

We, the Physics association celebrated the National Energy Conservation Day on 14/12/2023. In association with National Energy Conservation Day, an awareness program and a workshop were organized on December 14-15, 2023, with the aim of promoting energy conservation practices and raising awareness about the importance of sustainable energy usage. The event comprised various activities, including poster presentations, circulating energy-saving tips, pledge taking, and a workshop titled "Shine on – LED Creations Unveiled."

**Awareness Program:**The awareness program commenced with a poster presentation showcasing the significance of energy conservation and highlighting the adverse effects of energy wastage on the environment. The students from our department make the posters and displayed in front of our college. The posters creatively depicted the importance of adopting energy-efficient practices in daily life.

Additionally, a write-up containing energy-saving tips was circulated to all departments, providing practical guidance on minimizing energy consumption in various settings. The write-up emphasized simple yet effective measures that individuals and organizations could implement to contribute to energy conservation efforts. Moreover, all the students and teachers participate in pledge-taking ceremony to express their commitment to energy conservation and sustainable practices.

(NAAC Re-accredited with A++ Grade) (APJ CDFR)

**Think. Act. Save...**

**December 14 - National Energy Conservation Day**

*National Energy Conservation Day is celebrated annually on December 14<sup>th</sup> to raise awareness about the importance of conserving energy and promoting sustainable energy practices. This day serves as a reminder of the finite nature of energy resources and the need to protect the environment by reducing our energy consumption.*

*Some ways to celebrate Energy Conservation Day and contribute to a more sustainable future:*

- ▶ Increase the use of renewable and natural energy resources.
- ▶ Switch off lights and appliances when not in use.
- ▶ Use energy efficient appliances (Appliances having ISI & 3 star label).
- ▶ Walk, cycle, or use public transportation instead of driving.
- ▶ Please try to avoid carbon drinks.
- ▶ Educate and encourage the large teams of energy conservation.
- ▶ Switch to energy saving LED light bulbs for all of your indoor and outdoor bulbs.
- ▶ House and apartment buildings need to be energy audits to help keep the heat and apart from that, plenty of ways of light helps to avoid electric lights.
- ▶ Use longer glass for cooking.
- ▶ Reduce the use of conventional energy and switch to alternative ones.
- ▶ Use solar energy solar panels can be installed for the maximum utilization of solar energy.
- ▶ Be careful not to operate electrical appliances for a long time day in a week.
- ▶ Minimize the use of household electrical appliances or make it possible to the peak hours (during 6 PM to 9 PM).
- ▶ Do not waste water as water conservation is the basis of energy conservation.
- ▶ Keep the records about with a lot while working to save LPG.

**Saving energy TODAY will make TOMORROW bright....**

As a part of the National Energy Conservation Day, a two-day workshop titled "Shine On: LED Creations Unveiled" was organized by the association on December 14-15, 2023. Dr. Boni Samuel, Assistant Professor of Electronics, Nirmala College, Muvattupuzha served as the resource person.

The workshop commenced with an inaugural ceremony featuring Dr. Linju Ann Jacob, the Head of the Department of Physics, who emphasized the vital importance of energy conservation. Dr. Bony Samuel passionately highlighted the pivotal role that LED technology plays in realizing sustainable energy goals. Following the inspirational talks, students actively participated in engaging sessions where they were encouraged to brainstorm and conceptualize their unique ideas for Christmas decoration items using LED components. Facilitators provided guidance on the principles of LED technology and its application in creative projects. The second day focused on the practical implementation of the ideas generated on the previous day. Students were provided with LED kits and materials to bring their concepts to life. Throughout the day, students worked collaboratively, sharing ideas and troubleshooting challenges under the guidance of experienced mentors.

In Joyfiesta Baselian Expo- an exhibition cum sale on Christmas Day, organised by the college, the students gets an opportunity to showcase and sell their unique Christmas decoration items within the college premises. The event generated a festive atmosphere as students eagerly presented and marketed their products to students and faculty.

### **8.World Science Day**

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World Science Day   | 10/11/2023 | Chemistry    |

On November 10, 2023, Curie's Conclave was organized to celebrate World Science Day for Peace and Development. The event was designed to bring attention to the transformative power of science in building a more peaceful and sustainable world.

The programme began with a soulful prayer led by Irene Elza Suresh and Bhama S. of D1 Chemistry. Anagha delivered the welcome speech. Amrutha Rajagopal and Bhama conducted a comprehensive presentation on significance of science in addressing pressing global challenges and promoting peace. Amrutha Suresh and Anna conducted a presentation on the life and achievements John Newlands.

Ramsheena concluded the event with a heartfelt vote of thanks.

## 9. World Ozone Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World Ozone Day     | 14/09/2023 | Chemistry    |

On September 14, 2023, Curie's Conclave was organized to commemorate World Ozone Day. The event was designed to raise awareness about the importance of the ozone layer and the urgent need to protect it. The programme began with a soulful prayer led by Famy Francis and Meeralekshmi R of D2 Chemistry.

Meeralekshmi R delivered the welcome speech. Suha Khadeeja S and Tressa Susan Varghese conducted a comprehensive presentation on World Ozone Day. They provided valuable insights into the history, significance, and current challenges related to the ozone layer. Their presentation emphasized the role of individuals and communities in ozone protection.

Albin S gave a thought-provoking presentation on astrochemistry and its relationship to ozone protection. He discussed the cosmic origins of ozone and how understanding astrochemistry can shed light on the preservation of this vital layer. Poojakrishna A and Nimisha Saji led a discussion on the Adithya L1 satellite and its contributions to ozone monitoring. They highlighted the technological advancements and scientific breakthroughs made in monitoring and protecting the ozone layer. Sinto Philip Sebastian concluded the event with a heartfelt vote of thanks.

## 10. National Science Day

| Name of the program  | Date       | Organized by |
|----------------------|------------|--------------|
| National Science Day | 28/02/2024 | Chemistry    |

## **QUÍMICA**

On February 28, 2024, the Department of Chemistry & Centre for Research at Baselius College, Kottayam, celebrated National Science Day with a special event titled "Química," aimed at highlighting the importance of chemistry in everyday life. The event held at St. Thomas School Puthanangadi, Kottayam in which 30 enthusiastic students who were eager to learn about the wonders of chemistry took part. Solliya Joseph of M2 Chemistry delivered an enlightening lecture on the practical applications of chemistry in

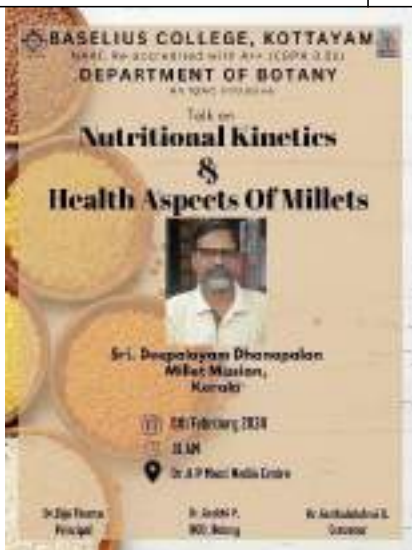

various aspects of daily life. She captivated the audience with real-life examples, demonstrating how chemistry influences everything from the food we eat to the clothes we wear and the gadgets we use. In addition to Solliya's engaging lecture, Aleena Thankappan, Sandra, Jishnu, and Sahal, all from the M2 and M1 Chemistry classes, showcased a series of captivating experiments. The experiments sparked curiosity and excitement among the young participants, fostering a deeper appreciation for the subject. As part of the event, books worth 1100/- on science were generously gifted to the school library, contributing to the enhancement of science literacy among the students. This fund was raised through the sale of homecare products manufactured by the department.

### 11. Millet Day

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Millet Day          | 08/02/2024 | Botany       |

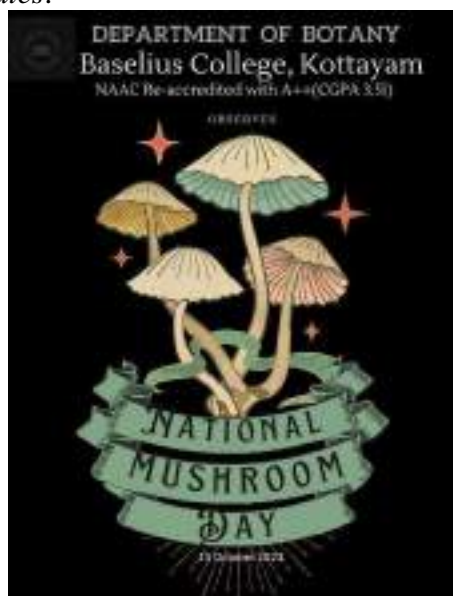

Millet is a good source of protein, fiber, key vitamins, and minerals. The potential health benefits of millet include protecting cardiovascular health, preventing the onset of diabetes, helping people achieve and maintain a healthy weight, and managing

inflammation in the gut. Millet is an adaptable grain. The United Nations General Assembly at its 75th session in March 2021 declared 2023 the International Year of Millets (IYM 2023). FAO is the lead agency for celebrating the Year in collaboration with other relevant stakeholders. Millets can grow on arid lands with minimal inputs and are resilient to changes in climate. They are therefore an ideal solution for countries to increase self-sufficiency and reduce reliance on imported cereal grains. In order to give an awareness about the benefits of millets in daily life the department of Botany, Baselius College has conducted an awareness lecture entitled as Nutritional Kinetics and Health aspects of Millets by Sri. Deepalayam Dhanapalan, Millet Mission, Kerala on 8.02.2024 at Dr AP Mani Media Centre. The health aspects of millet food and various culinary preparations were dealt in detail and doubts of students were cleared. 66 students from various departments were actively participated in this program.

**12.National Mushroom Day**

|                       |            |              |
|-----------------------|------------|--------------|
| Name of the program   | Date       | Organized by |
| National Mushroom Day | 15/10/2023 | Botany       |

Department of Botany, Baselius College in association with Baselian orchids observed World Mushroom day on 15 th October 2023. Two programmes were arranged with special emphasis to Fungi. Association representatives and students were decided to build a model depicting Fungi and an inter collegiate mushroom photography contest to be held online. Students made a model using degradable thermocol and paper and exhibited in front of the department. We have received 112 registrations from Kerala and adjoining states. From the selected Mushroom photographs, Dr Ratheesh S, JNTBGRI, Palode has bagged First prize for his photograph of *Phallus indusiatus* and Akhila Raj of the department of Botany, St.Thomas College, Kozhencherry got second place for her photograph of *Coprinellus disseminates*.

*Student activity- Mushroom model preparation by association*

### **13.World Wetland Day**

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World Wetland Day   | 02/02/2024 | Zoology      |

The Department of Zoology observed World Wetland Day on 2<sup>nd</sup> February, 2024. A talk on 'Wetland Conservation' was organised to the students of the Department.

Dr.Prabhakaran M.P., Assistant Professor (Fisheries Oceanography), Department of Aquatic Environment Management, Faculty of Fisheries, Kerala University of Fisheries and Ocean

Studies (KUFOS), Panangad, Kochi was the chief Resource Person. He conveyed the importance and role of wetland in our environment in conserving biodiversity and preserving ground water. He has also given a brief description on the scope of Fisheries Oceanography and the courses the students can opt for higher studies. The session was very interesting and the participants actively involved in the discussion. 66 students participated in the programme

#### 14. Wild Life Week

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| Wild Life Week      | 06/10/2023 | Zoology      |

#### Intradepartmental Poster Designing and Quiz Competitions to observe Wildlife Week:

The Department of Zoology conducted Poster Designing and Quiz competitions to observe Wildlife Week during the first week of October 2023. The competitions were conducted on 06/10/2023. The competitions were exclusively meant for the students of the Department of Zoology. 6 participants were there for the poster designing competition. The topic given for Poster Designing was 'Let Elephants Live'. This competition aimed to bring out the artistic creativity of the students in the topic of relevance. Praise Elsa Fredy of D2 Zoology was declared as the winner of Poster Designing competition. For Quiz competition, 3 rounds were there. Of which the first round was written round based on the journal 'Sanctuary Asia'. The top 5 teams with 2 members each were selected for the second and third rounds, which were oral rounds. The students participated throughout with great enthusiasm. The team of Megha S. Kollettu and Hanna Shabi bagged first position and the team of Krupa Sabu and Krishnapriya K.S. bagged second position.

### 15. International Tiger Day

| International Tiger Day | 29/07/2023 | Zoology      |

#### **'Preserving the Roar: Combating Poaching for a Thriving Tiger Population'**

The Department of Zoology conducted an online Poster Designing Competition for Higher Secondary School students as a part of International Tiger Day. The competition was conducted on 06/08/2023. The theme was 'Preserving the Roar: Combating Poaching for a Thriving Tiger Population'. The participants were directed to submit their entry in the link provided. 36 students participated in the competition. Very creative designs were submitted by the participants among which the first and second positions were bagged by

Asrithamol P.M., JJMMHSS, Yendayar, Idukki and Sethuparvathy K.J., Baker Memorial GHSS, Kottayam respectively.

### 16. World Paper Bag Day

| Name of the program | Date       | Organized by  |
|---------------------|------------|---------------|
| World Paper Bag Day | 12/07/2023 | Zoology & BBA |

The Zoology Department observed World Paper Bag Day on 12<sup>th</sup> July, 2023. This year, the theme of World Paper Bag Day 2023 is “If You're 'Fantastic', Do Something 'Dramatic' To Cut The 'Plastic', Use 'Paper Bags'.” The students of the Department were taught to make paper bags and the bags made were distributed to Co-operative Society of the College.

The significance of World Paper Bag Day is two-fold. Firstly, it serves as a reminder for people to opt for paper bags over plastic when shopping. Plastic

bags are not biodegradable and they can take hundreds of years to decompose in a landfill, leading to serious environmental damage. Paper bags, on the other hand, are much better for the environment as they are biodegradable and can decompose in a few months.

Secondly, World Paper Bag Day is a great opportunity to raise awareness about the need for sustainable packaging solutions. As plastic waste continues to accumulate in our landfills and oceans, it's important that we look for alternatives that can help us reduce our environmental impact. This is why World Paper Bag Day is so important - it serves as a reminder for us to explore sustainable packaging solutions that can help us cut down on waste and reduce our environmental footprint. 15 students from first year B.Sc. Zoology participated in the programme.

The BBA Association organised a classroom activity of making Paper bags with old newspapers as part of World Paper Bag Day. The aim of this activity was to promote the use of eco-friendly paper bags instead of plastic carry bags and to reuse old newspapers to make carry bags for daily use. Students of

D2 and D3 BBA were engaged in the activity. Rooms 307 and 317 were used to conduct the activity.

### **17. World Tourism Day**

| Name of the program | Date       | Organized by |
|---------------------|------------|--------------|
| World Tourism Day   | 27/09/2023 | BBA          |

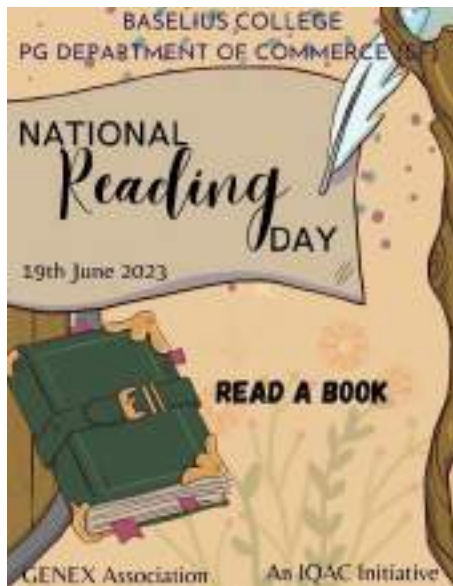

World Tourism Day is celebrated every September 27 to promote tourism worldwide. It was established by the UN World Tourism Organization (UNWTO) to celebrate the power of the tourism sector to help bridge cultures.

The poster was shared through the social media handles of the BBA Association.

### **18. National Reading Day**

| Name of the program  | Date       | Organized by |
|----------------------|------------|--------------|
| National Reading Day | 19/06/2023 | Commerce SF  |

On 19.06.2023, National Reading Day was celebrated and as part of it a reading competition was conducted in the department. Students from D2, D3, M1 and M2 were randomly chosen and were asked to read out the books which were issued to them. The books included “The Buried Thoughts” by Joseph Annammakutty Jose and “Nashtapetta Neelambari” by Madhavikutty. Surya Rajeev of class M2 was awarded the Best Reader and a Certificate of Participation was given to all the participants.

## About the Programme

Human Rights Week is a time to honour and uphold the fundamental principles of dignity, equality and justice for every individual across the globe. It serves as a poignant reminder of the essential rights inherent to all human beings, regardless of race, gender, religion, or background. The programs organized on the behalf of the Political Science Association embodies the tireless efforts to promote and protect these rights, fostering inclusivity, empowerment, and respect for every inherent worth.

Through advocacy, education, and collective action, Human Rights Week amplifies the importance of standing up against injustice and reaffirms our commitment to creating a world where everyone's rights are recognized, valued, and upheld.

As a department that upbrings and heavily rely on the need for an enhanced future, join us in marking this occasion as we champion the fundamental freedoms that define the essence of humanity

An IQAC Initiative

## 1.SEMINAR “HISTORICAL EVOLUTION OF HUMAN RIGHTS IN AFRICA

The seminar on the "Historical Evolution of Human Rights in Africa," held on November 12, 2023, featured Mr. JK Alex, a Ph.D. research scholar from MG University. Attendees gained insights into the development of human rights in Africa, including key milestones and challenges. Mr. Alex's expertise facilitated a nuanced discussion, fostering a deeper understanding of the topic among participants.

## 2.SEMINAR ON “SOCIAL DEMOCRACY IN INDIA: PROBLEMS AND CHALLENGES”

The seminar titled "Social Democracy in India: Problems and Challenges" took place on December 14, 2023. Dr. Sreejesh NP, a CM Navakerala Post Doctoral Fellow under the

Government of Kerala, led the session. During the seminar, attendees delved into the complexities surrounding social democracy in India, examining prevalent issues and emerging challenges. The event facilitated critical discussions on strategies to address the identified problems, fostering a deeper understanding of the subject matter among participants. Overall, the seminar served as a platform for academic inquiry and dialogue on pressing issues related to social democracy in India.

### 3.FILM SCREENING IN COONECTION WITH HUMAN RIGHTS WEEK

The film screening event, held as part of the Human Rights Celebration Week on December 12, 2023, was organized by the Department of Political Science. Attendees were treated to a thought-provoking cinematic experience that shed light on various human rights issues. The selected film "**Beast of no Nation**" likely provided insight into the struggles and triumphs of individuals and communities worldwide in their pursuit of justice, equality, and dignity. Through this event, the department aimed to raise awareness and spark discussions on human rights among students, faculty, and the wider community.

#### 4.DANCE DRAMA IN COONECTION WITH HUMAN RIGHTS WEEK

The dance drama, held as part of the Human Rights Celebration Week on December 15, 2023, was orchestrated by the Department of Political Science. This captivating performance likely conveyed powerful messages about human rights issues through the artistry of dance and theater. Choreographed routines and emotive storytelling likely depicted themes such as freedom, equality, and social justice, aiming to inspire reflection and action among the audience. Through this event, the department creatively engaged attendees in discussions surrounding human rights, especially atrocities against women using the universal language of performing arts to evoke empathy and understanding.

## 22. World Democracy Day

|-----------------------|------------|-------------------|
| World Democracy Day   | 21/09/2023 | Political Science |

The debate on the Women's Reservation Bill, held on September 21, 2023, saw active participation from numerous students of the department. This event provided a platform for students to engage in a lively discussion on the proposed legislation, which aims to reserve seats for women in legislative bodies. Participants presented diverse perspectives on the bill, addressing its potential impact on gender equality, political representation, and societal dynamics. Overall, the event fostered critical thinking and dialogue among students, contributing to a deeper understanding of the complexities surrounding women's political participation.
