**About the Programme**

Human Rights Week is a time to honour and uphold the fundamental principles of dignity, equality and justice for every individual across the globe. It serves as a poignant reminder of the essential rights inherent to all human beings, regardless of race, gender, religion, or background. The programs organized on the behalf of the Political Science Association embodies the tireless efforts to promote and protect these rights, fostering inclusivity, empowerment, and respect for every inherent worth. Through advocacy, education, and collective action, Human Rights Week amplifies the importance of standing up against injustice and reaffirms our commitment to creating a world where everyone's rights are recognized, valued, and upheld.

**Dear Madam/Sir,**  
 We are pleased to announce that the Postgraduate Department of Physics and Research Centre at Baselius College, Kottayam, is organizing a two-day national workshop on "ExpEYES-Building Your Personal Science Lab". This workshop is open to faculty members and enthusiastic BSc students. The workshop will offer a comprehensive overview of ExpEYES, a hardware and software framework for developing science experiments, demonstrations, and projects without getting into the details of electronics or computer programming. ExpEYES is an instrument that can be interfaced to the USB port of a computer or Android phone. It provides a set of input/output terminals that can act as test equipment, such as a DC power supply, function generator, oscilloscope, frequency counter, and capacitance meter. ExpEYES also supports I2C sensor elements for measuring physical parameters, such as temperature, pressure, and magnetic field. The workshop's focus is to enable the participants to perform experiments independently using ExpEYES software. The software is currently available for PCs and Android phones. The workshop will be conducted using Android phones and all the participants are expected to bring an Android phone with the SCELab app installed from Google Play Store. [Click here to install SCELab](#). The workshop will accommodate a maximum of 40 participants, and interested individuals can confirm their participation through the online form by October 20, 2023. Selected participants will receive notification via mail before November 1, 2023. Please visit the website for preparatory materials before the workshop, we request the active participation of faculty members and selected students of your institution in the workshop. We warmly invite the active participation of both faculty members and selected students from your institution in this workshop. Your involvement will greatly enrich the learning experience. Thank you for considering our invitation, and we look forward to welcoming your participants to the workshop.

AN IQAC INITIATIVE

Baselius College, Kottayam has been blessed with a galaxy of glittering teachers right from the day of its inception in 1964. Many of these great gurus have left us forever, but the fragrance of their memories lives on in the minds of their innumerable students and several others who came in contact with them. Prof. P. Rajaram Menon was the doyen among these renowned academicians.

Born into the illustrious Poothambali family in Ernakulam on 26th August 1917 as the son of Sri. Kerala Varma Thirumulpadu and Smt. Kunjukavu, Prof. Menon had his professional debut in NSS College, Changanacherry. From there, he shifted to Catholicate College, Pathanamthitta in 1956. Eight years later, he moved over to Baselius College, then a fledgling institution, as the first Head of the Department of English. His invaluable contributions to the Department in the initial years of its development will remain etched in gold forever in the annals of the college. A great lover of learning, language and literature, he impressed his colleagues and students by his vast knowledge, impressive lectures and simple, austere lifestyle.

**Prof. P. Rajaram Menon** passed away on the 1st of July 2007. The Dept. of English has been organizing a memorial lecture every year, to honour this great teacher. Dr. Sukumar Azhickode (2008), Dr. K.S. Radhakrishnan (2009), Dr. Jancy James (2010), Dr. Babu Paul (2011), Sri. T.P. Sreenivasan (2012), Dr. Siby James (2013), Dr. C. Gopinathan Pillai (2014) Prof. George Onakkoor (2015), and Sri. B. Unnikrishnan (2016), Sri. Unni R. (2017), Benyamin (2018), Ambikasuthan Mangadi (2019) and Sri. Santhosh George Kulangara (2020), Sri. C. Radhakrishnan (2021), Dr. Rajesh V. Nair (2021), Smt. Sajitha Madathil (2022) have all delivered their excellent discourses. This year Dr. C.S. Jayaram shall share his thoughts on literature and art.

**Dr. C.S. Jayaram**

Dr. C. S. Jayaram, a luminary in the field of English literature and visual arts, is a name widely recognized and esteemed in the realm of academia and creativity. He has traversed the realms of both education and fine arts with unparalleled finesse, leaving an indelible mark in his wake. He is the former Head of the Department of English at Sacred Heart College, Thevara and currently holds a dual position as a Professor in both the Department of English and the Department of Visual Media at Amrita School of Arts & Sciences, Kochi. His talent as an artist is arguably as extraordinary as his expertise in academia. Over the years, he has garnered a plethora of awards for his exceptional contributions to the world of art. As the Founding Director of the esteemed Raja Ravi Varma Centre of Excellence for Visual Arts at the University of Kerala, he continues to shape the future of visual arts through his visionary leadership. Professor C. S. Jayaram is a true maestro, seamlessly blending his expertise in English literature with his artistic capabilities.
