Floriculture or flower farming is the study of growing and marketing flowers and foliage plants. Floriculture includes cultivation of flowering and ornamental plants for direct sale or for use as raw materials in cosmetic and perfume industry and in the pharmaceutical sector. Baselius college National Service Scheme Unit no:5 maintained floriculture in the backyard of college ground

The college prioritizes to maintain a safe and green environment.

TREE PLANTATION – 15/08/2023

The collaborative effort between the Rotary Club, Kodimatha, and NCC Baselius unit to plant trees along the Kodimatha highway on August 15 was a significant initiative. By coming together, they not only contributed to the physical act of tree planting but also raised awareness among cadets and the broader society about the critical importance of tree plantation. This endeavor underscores the collective responsibility we have in nurturing and preserving the environment, as trees are indeed the lifeblood of our planet, providing vital oxygen, habitat for diverse species, and playing a crucial role in mitigating climate change.

The college prioritizes to maintain a safe and green environment.

SAY NO TO PLASTIC – 19/10/2023

The NCC Baselius unit distributed paper bags to the nearby stores and shops encouraging them to use paper bags thus bringing awareness about the issue. Plastic pollution can be reduced in this way. Less plastic means less plastic generated or produced. A considerable reduction can be achieved following this. The paper bag waste although produced can be controlled and recycled. Most shops have switched to paper bags. Acknowledging this aspect we took a very good measure society in bringing about awareness in the society.

MUTHASHIK ORU UMMA

The purpose of Mother's Day is to express love, appreciation, and gratitude towards mothers and mother figures for their unconditional love, support, and sacrifices. Baselius College National Service Scheme admired Devakikuttyamma who sacrificed her life for her grandchildren and honoured by wearing ponnada. From her young age she is fighting against the fate to survive and to raise her motherless grandchildren. Though she is 96 years old, she is still working hard for her grandchildren. She is a woman who likes to live independently and it is an inspiration to the young people. NSS volunteers cleaned the small shop and premises of the shop of grandmother and donated sweets and juice for sale in the shop
